Kerr	78	87
Total	368	445

HOCKEY.

Tonight's Game.

Toronto, April 1—Ottawa and Seattle meet in the fifth and final game for the Stanley Cup at the Arena here tonight, amid great doubt as to the outcome. Each team has won a game playing under the rules of its own association, and each game has also been successful one, while playing under strange rules. Tonight's game is to be played under N. H. L. rules.

For the Crucial Game.

Ottawa, April 1—Jack Darragh of the Senators, who had to return to Ottawa Tuesday night's Stanley Cup game, left last night to rejoin the team for the final struggle of the series.

THE RING.

Bout in Cleveland.

Cleveland, March 31—Charlie O'Connell, a Cleveland lightweight, decisively outpointed Benny Valgar of New York, in a ten-round bout here tonight, according to a majority of the newspaper critics at the ringside. O'Connell was awarded eight rounds.

Detroit See Scraps.

Detroit, March 31—Carl Tremaine of Detroit, led Earl Puryear of Turin all the way in their ten-round bout here tonight and won the newspaper decision. Young Chaney of New York and Harry Klabberoff of St. Louis fought a ten-round draw, and Eddie Dillon of Detroit won from Patsy O'Toole of Detroit in eight rounds.

Victory for Herman.

Camden, N. J., April 1—Pete Herman defeated Joe O'Donnell in an eight-round bout here last night. Willie Jackson showed superiority all the way in an eight round bout with Ralph Brady of Syracuse.

Carpenter as Referee.

New York, April 1—Georges Carpenter, heavyweight champion of Europe, and aspirant to world's honor, last night appeared in the ring as a licensed referee, having received an honorary permit granted by the state referee's association. He handled one bout at the 69th Regiment Armory, where the department of the east, U. S. A. championships were being held.

ATHLETIC.

World's Record May Go.

Philadelphia, April 1—Nothing has so stimulated interest in track and field athletics at Pennsylvania as the definite announcement that Oxford and Cambridge Universities will send a combined 20-mile relay team for the Pennsylvania carnival on April 30 and May 1. The big universities in the east and finally every member of the Western Intercollegiate Association are sending one more team for the championship relay, in addition to star men in the special events.

Hunt's Clothing Store

17-19 Charlotte Street

Pennsylvania men are pleased that the Englishmen have selected the two-mile relay. The Quakers can do equally well in the mile or the two-mile race. They assume that in selecting the two-mile event the Englishmen believe that they have a chance to win it. Pennsylvania men feel that under proper weather conditions the team which wins will have to break the present world's record of 7 min. 33 sec. held jointly by the Irish-American A. C. and Yale University. This time means an average of 1:58.14 for each relay. The Quakers believe they can beat this time and Coach Robertson is confident that Yale and possibly Chicago and Harvard, can beat it. It looks as though Penn's team will be composed of Shields, Brown, Gustafson and Eby. Brown and Gustafson have consistently done 1:28. Gustafson a little better. Before his injury in war service Shields had done 1:57. Eby has won the mile race for the country to see whether they can supply enough entries to make this event worth while. Montague is said to be the greatest distance runner England has been able to produce since the days of Alfred Shrubbs.

BASEBALL.

Exhibition Games.

Greensboro, N. C., March 31.

Detroit Americans.....14 10 3
Boston Nationals.....0 10 3
Batteries—Woodall, Sholdard, Duss, Hale and Manion; Rudolph, Jones, Browne and Morgan, Gowdy, O'Neill.

To Akron.

Little Rock, Ark., April 1—The Pittsburgh club has turned over infielders Bill Webb and Barney Kerns to the Akron club of the International League. Webb formerly was with the Birmingham club of the Southern Association.

Gets Post at Third.

Jacksonville, Fla., April 1—Frank Baker, for several years star third baseman of the New York club, will not return to the New York club and Manager Huggins announced last night that he will fill the position with a slugger from the Pacific Coast League, Webb formerly was with the Birmingham club of the Southern Association.

Talking Baseball.

Woodstock Press:—Spring is here at last and the boys are already talking about baseball. Why not get organized now so as to get a good start when the season opens. We have one of the best diamonds in the province. Woodstock was the first town in the maritime provinces to take up baseball, some seventy-five years ago. St. Stephen was the second in the maritime provinces.

City League Meeting.

A preliminary meeting to discuss plans for the re-organization of the City Baseball League was held in St. Peter's Y. M. A. Rooms, Douglas avenue, last evening. A strong team has been formed to represent the association and as soon as weather conditions become favorable practice will be started. A discussion took place regarding the proposed improvements on their diamond in the rear of Clarendon street. A general meeting to re-organize the City League will be held in the near future.

TENNIS.

The Championships.

New York, April 1—Vincent Richards, national indoor tennis champion, was the first to play.

AQUATIC.

Veteran Coaches Meet.

Philadelphia, April 1—Coaches Guy Nickalls, an Englishman and Joe Wright, a Canadian, fraternized yesterday as their Yale and Pennsylvania crews dipped oars in the Schuylkill in preparation for Saturday's regatta. Eight pairs were matched in the round preceding the semi-final of the doubles competition, the final of which will be played on Saturday.

TRAFSHOOTING.

Opening Events.

The 1920 trap shooting season opens with two registered tournaments under the auspices of the Eastern Canada Trapshooting Association.

The first will be held by the Montreal Gun Club at Montreal on Good Friday, and the second by the St. Hubert Gun Club at Ottawa on Easter Monday.

There will be 120 competitors from all parts of eastern Canada.

St. John will be represented by O. J. Killam, president of the St. John Trapshooting Association, who will compete in both tournaments. Mr. Killam won high honor at local shoots last year, as well as at Halifax and Montreal matches and his many friends wish him every success in the coming event of Friday and Monday where the best Canadian shots will assemble and where the competition will be particularly keen.

THE TRAVELLER'S AID.

(Continued in Toronto Globe.)
No notice at a railroad station is more welcome than that of the Travellers' Aid Society, for the work of its agents in protecting women and girls is of supreme importance. The Y. W. C. A. is to be heartily congratulated on this branch of its work, and the testimony the crew of a prominent railway official gives all the notice that can be given to it. He said that no philanthropic work is able to show such good results. Here are some words which tell their own gratifying story:

"I have noticed in lots of cases where you see a young woman walking around, seemingly looking for something, and you approach and show your badge, that a glad look comes on her face, and she at once tells you her troubles. She would not be able to do this to a policeman nor a male passenger."

"It is not the young people alone that get the benefit of your service, but old ladies travelling alone and women with families. They are taken to respectable boarding houses or put on the right train, as the case may be."

"To those who see you attending the trains early and late, sunshine and rain, winter and summer, they feel that your work is something that cannot be done without and in the public gets to understand it the same as we do, they will feel proud that we have such an organization and they will respond generously to its upkeep."

A Woman's Testimony

Mrs. Edith Warren, a farmer's wife of Emmitsburg, Md., openly declares how she has found health through reading a newspaper advertisement of Lydia E. Pinkham's Vegetable Compound. So great is her relief after fifteen years of suffering that she asks to have this information published.

An Anglo-Egyptian Desert Romance

GERALDINE FARRAR and LOU TELLEGEN

In the Stupendous Goldwyn Production

"THE FLAME"

THE BARRIER OF RACE has often served as the background of a poignant story. In most cases, love has been unable to break down the taboos and the exceptional cases rarely reach public notice. In the latest Goldwyn photoplay, "The Flame," this delicate problem is handled with subtlety and power. The screen drama stars, Geraldine Farrar and Lou Tellegen; and although the heroine is a lady of the English nobility, she believes that the hero whom she loves is a native Egyptian. As Sheikh Essad, Lou Tellegen wears the native Egyptian turban and dress, but he is a British officer who acts as a spy with the desert peoples.
