overseas as a member of the 26th Bat-

A PROTEST. A PROTEST.

The Dominions wish to make a protest of the game played last evening against the Giants on the Queen Square diamond. The Dominions contend that the Giants are playing a man supposed to be signed on by the Victor team. They also protest several decisions by the umpires—in allowing a man to run clear from first to home on an overthrow to second base, and a decision on third base in the fourth inning.

which occurred on Thursday evening at Nauwigewauk, after a few hours' illness. He was eighty years old and is survived by four daughter, Mrs. Thomas Brown, Mrs. Stanley Plushaw and Mrs. James Burgess of Lawrence, Mass., and Mrs. James Black of St. Martins; one son, Willard of St. Martins; one son, Willard of St. Martins and Mrs. Elijah Vincent of Fair Vale.

BIG COMPANIES COMING.
Henry W. Savage's big production of the morality play "Every Woman," has booked dates in St. John for mid-August. The identical company that played here last year will come.

The original Miller Production of "Daddy Longlegs," stage version of the novel—in which twenty-two people take part, including a bevy of child actors and actresses, is seeking dates here also, Several other important travelling shows are asking for summer bookings down this way and their contracting agents are negotiating with transportation companies for cars.

\*\*MY DUTY TO PERFORM: IT Production of Perform of the English flag, have been killed in action.

\*\*Prederick R. Webster, Gradler price of the Chicago, a noted portrait painter. Mrs. Chicago, a noted portrait painter. Mrs. Webster is credited by the Chicago Here ald with doing more than any other single individual to organize knitting classes in the big mercantile houses, for the benefit of the Red Cross, Chicago being the first city in the United States to go systematically after employed women for this service. She first organize knitting classes in the big mercantile houses, for the benefit of the Red Cross, Chicago being the first city in the United States to go systematically after employed women for this service.
