### C. P. R. WANTS THE CITY LAND

Application For Parcel to Give Them More Yard Room Needed

Further extension of their yard and siding space is being planned by the C. P. R. owing to the steady increase in the amount of traffic handled at this port. The company wishes to acquire a strip of land on the northern side of their line between Fairville station and the Greenhead road. The property needed is about 2,000 feet long and of varying width, averaging about fifty feet. This land is owned by the city and, at the meeting of the commissioners at noon today, a proposal to buy the required stretch was before them. Some further negotiation between the city and the company is needed. The commissioners also opened tenders for the excavation work in connection with the new sewer in Church street, the water and sewerage extension in Adelaide road, and also for the construction of a concrete culvert across Newman street, Brook at the bridge, to carry the mains across. The awards will not be made until Monday.

### CATHOLIC YOUNG MEN'S SOCIETIES GETTING READY FOR WINTER

With the passing of the summer months the members of the young men's Catholic societies are beginning to look forward to the winter season holidays. Plans are now being laid by the F. M. A., the Y. M. S. of St. Joseph and St. Peter's Y. M. A. and give promise of being keen interest to all concerned in the welfare of each society and advance its prosperity.

The first meeting of the winter season with the F. M. A. Society and the Y. M. S. of St. Joseph will be held on Monday evening next. Both have enjoyed an encouraging year with the winter campaign with enthusiasm and bright hopes. The F. M. A. boys during the summer have held together well and enjoyed a series of outings at their camp near Loch Leonard. They also took a prominent part in baseball. By the way, the St. Joseph's boys will begin this week to arrange a programme for the coming season including the various branches of interests to the members.

The first general meeting of the St. Peter's Young Men's Association is to be held on Wednesday evening next, Sept. 25, when at a smoker in the rooms the nomination of officers will be in order and matters of interest to the welfare of the society will be discussed. The association last year met with encouragement in its various endeavors, and its membership was greatly augmented, and even better results are anticipated for the coming season. Bowling will be resumed in about a fortnight on the billiard, which has been renovated, and a society league will be formed among the members, composed of the following teams: Generals, Shamrock, Thistles, Maples, Micmacs, Mallicoets, Erins and Roses. These teams are now being made up and with numerous prizes offered there should be some fast bowling.

The usual programme of debates, lectures, and social entertainments is being arranged and is expected to prove most satisfactory. In the sporting department it is regarded as certain that a hockey league will be formed and there is some talk of football.

### JUVENILE COURT

Three youthful offenders were arraigned in the juvenile court this morning. John and James Donovan, aged twelve and ten years respectively, were reported by Truant Officer McMann for playing truant from St. Malachi's school for several weeks. Both boys pleaded guilty and were given a severe reprimand. They were sent below to the guard room for a while, and were later brought in and allowed to go with a caution, that if they played truant again that they would be sent to the reformatory.

Harrison Martin, aged twelve years, was charged with assaulting Mrs. McVane, by striking her in the face with a potato. Mrs. McVane swore that Martin threw a potato out of a window at her, and it struck her in the face. The boy denied the charge, but was told that he was liable to a fine of \$20 or two months in jail. He was also sent down stairs, but was later allowed to go on suspended sentence.

Mrs. Martin, the boy's mother, wanted to lay an information against Mrs. McVane for an assault of more than three weeks ago, but His Honor told her that she had better let the matter drop.
