rescue his fellow creatures. Then it was that Catharine Vasseur, a lass of seventeen, volunteered to descend infrom London: "Mme. Anna Bishop, was final Calimiter Vasseuri, a lass of seventeen, volunteered to descend into the sever, where she fastened a rope around two of the men, and, assisted by those above, where she fastened a rope around two of the men, and, assisted by those above, where she fastened a rope around two of the men, and, assisted by those above, where she fastened a rope around the body of a third man, but her breath began to fail ber. Fainting from foul air and exhaustion, she had sufficient presence of mind to knot the end with her own luxuriant tresses, so that when the dastardly fellows above drew the man to the surface they found the all but fasnimate body of the young girl swinging by her hair to the end off the rope. Fresh air and stimulants restored her to consciousness, but not in time to enable her to save the fourth man, who perished in the pit.

[From the Gleaner.]

Chatham Battery, No. 7, Lient.-Col. Gillespie, was inspected on Tuesday by C.J. J. R. Macshane, accompanied by Adjutant J. D. Underhill, who expressed themselves well pleased with the appearance and performance of the men. The Battery engaged in afternoon, and gave evidence of good training. Had the target been a ship instead of a small cask, it would have been preity well riddled.

The Union Praver Meetings are still.

instead of a small cask, it would have been discovering who catch Salmon box. At eight o'clock the Y. Mr. C. A prayer meeting was held in Immanuel R. E. Church, when every seat wascempled. A good work is being done and there is every indication of it being done and there is every indication of it being done and there is every indication of it being done and there is every indication of it being some and there is every indication of the Master.

The probability of the Czar's abditation of the Master.

Archbishop Bayley, by his will, left all his property in New Jersey to Cardinal Mr. Closkey and to two other property in New York all his state one paper, is sequenced.

The Methodist Missiana Martin Hache, and the matter of Martin Hache, an been pretty well riddled.

The Union Prayer Meetings are still kept up with interest. Last Sabbath evening the Methodist Church was crowded to its utmost capacity, upon which occasion Rev. Mr. Jenkins preached a very effective sermon from the words "Quench not the Spirit." At eight o'clock the Y. M. C. A. prayer meeting was held in Immanuel R. E. Church, when every seat was salmon since 1st of August. If the plant of the police is shown to have canned 56,000 seed salmon since 1st of August. If the plant of the police is shown to have canned 56,000 seed salmon since 1st of August. If the plant of the police is shown to have canned 56,000 seed salmon since 1st of August. If the plant of the police is shown to have canned 56,000 seed salmon season. Local fishermen and the canning companies connive to sold by E. Lee Street, Hamilton & Fish. Moses M. Sargeant, Newcastle; Dr. Pallen and J. V. Benson. Chatham. Octl-2m

Special view of the Sacramento river out of salmon season. Local fishermen and the canning companies connive to seed the canning companies connive to seve on catching and canning in evasion of the law. The small boats take to the river on the approach of the police, and their catch is taken abour a tenton sloop at night in some out-of-the-way place. One firm is shown to have canned 56,000 seed salmon since 1st of August. If the ji-

The probability of the Czar's abdication, says the correspondent of an American paper, is again privately but generally discussed. Although he has passed the fatal date at which, according to an ancient superstition, the Roumanoffs should die, his mind is haunted with the idea of a tragic death, and the doctors urge him to haunted with the idea of a tragic perty. death, and the doctors urge him to quit a climate where fever and dysentery have begun to make fearful ravage in the ranks of the army. His withdrawal from the theatre of operations and the hailed with satisfaction, his wounded he would have been compelled to shoot all who were too with something more than indifference.

for he is a nuisance to his Generals, selves. whose plans he thwarts on all occawhose plans he thwarts on all occasions and the Russians rather reverence the abstract idea of sovereignity than the respect tor the cherish any particular respect tor the person of him who is its actual incars. Signs of "prosperity" are not many.

How IT Happened. - Foster, the Canterbury Station, York Co., N. B., The worst expectations entertained as to the suffering and loss likely to be endured by the Russians in Bulgaria should they winter there north of the Balkans, seem likely to be realized. Some weeks ago an English gentleman, long resident in Roumania, wrote that at that time the Russians were dying in the low, fever-breeding grounds of the Danube like flies in winter. He also stated that the Turks do not suffer in those regions nearly as much as the Russians.

Grand Trunk defaulter, was connected with the Treasury department of the Rasury department of the Rasury department of the Railway. The Star says he occupied a responsible position and had a salary of \$1,200 per annum. He has been living a fast life for some time, and spending money very freely. When asked by his friends how he could afford such extravagance, he stated that the was in receipt of \$1,500 a year from his friends in England, who as highly respectable. He drank heavily, lived expensively, and was highly respectable. The department of the Railway. The Star says he occupied a responsible position and had a salary of \$1,200 per annum.
