Greer, of Vancouver; D. G. Dick, of North Van-couver; F. W. Parker, R. Nagel, N. G. Steeling, M. & Krows I. A. Colwall on the Lusitania, returning by the Empress line and the C. P. R. Mr. Hardaker prefers the Lusitania for a travelling boat, and says he has never before crossed the Atlantic in such comfort and with such convenience. He left here in May last, spent a week each in New Haven and New York and proceeded to London, where he was present at the stadium and saw sevrisen of his own accord. He also saw deliberate fouling on the part of the American runners in the half-mile

> race. He visited France, Germany and several cities on the continent and enjoyed an extended pleasure trip in each place. He saw Germany twenty-three years

ago and on his present trip was aston ished at the advance the country has made and at the improved conditions of the people although he found there was not the same freedom among the masses there as there is in America and Canada. Paris he found practically a neglected city from what it was on his previous visit. The city, he says, seems to be going to decay. While the same magnificence is apparent, there is, however, a lack of cultivation in the parks and gardens which are being allowed to deteriorate rapidly. In South West London Mr. Hardaker who is said to have been connected was surprised by the growth of the population which six years ago when while to-day he finds there are 300,000 committed suicide yesterday in his | inhabitants in that section of the great cabin on the Adriatic while the vessel metropolis. The municipal ownership lines to have increased trem endously. Mr. Hardaker returned after spendticed about his movements, but as he ing a most enjoyable time but has a
