have done no man a wrong and would not take a dollar from any person unlawfully, but the practice of the combine in the assembly of taking bribes was so frequent that I went along with the tide and did not realize the enormity of the offence and my conscience was seared in that regard. These brodle investigations have made me see the crime in all its enormity. No matter what happens to me I will do all I can to aid the circuit attorney in breaking up the boodle gang that has so long controlled affairs in this city and atone as far as I can for my awful mis-

"After my indictment and the comre mencement of the boodle prosecutions, the gang got together and raised money for the purpose of fighting the cases and to retain the supremacy of the gang. YUKON EXHIBIT Winnipeg, Man., Sept. 10 .- A sight that attracted great attention at the Dominion immigration building to-day was an exhibit of vegetables and grains-grown in the Yakon. Deputy Minister Smart has forwarded to Commissioner Smith a consignment of garden produce grown in the open air under natural conditions at Dawson, Y. T. To those who imagined that the Klondike was a barry. ren, frozen waste, incapable of success-fully growing agricultural products, the the growing agricultural products, the exhibit will be little short of a revelation. Clover 31 inches long, and cats four feet eight inches high show that growth must be phenomenal during the short summer. Rhubarb measured 15 inches in levels and four inches in levels. inches in length, and four inches in cir-cumference, and celery is exhibited 14 nches long. Turnips are even larger, one rutabaga measuring 33 by 26 inches Potatoes 5 inches long would be credit to even the fertile gardens of this rovince or the territories, but appa ently the Yukon can grow them up to hat size. Carrots 9 inches in length and the same in girth and beets 21 in-ches in circumference are shown. The xhibit was shipped from the gardens of Messrs, Foichart & Son, one mile east of Dawson, and arrived in splendid condi-tion this morning. They will be shipped nmediately to the State fairs about to be held at St. Paul, Grand Works, Da-uth and Watertown, South Dakota.
