What Mr. Mackensie very app ately describes as the "annual tirade" not the management of the Inter-nial Railway has come off as usual, ut another exposure of his own unmess, and has only afforded anaged, what is the benefit it is connces may be likely to combat. he the amount of its success, both directly and indirectly, in the years which

No one ever expected that the workyears to come. Very few could have typhus. still only the second year of its reserves have been ordered. being fully opened. The line could not be locked upon as complete till it had been rated with steel rails and all properly Milasted. The rolling stock even yet been brought up to he point required by the present and meeting traffic, while many things very naturally have be med to capital account are charged to current expenses. In these circumstances it is something not a little creditable to the present management to ed has been nearly doubled, the expenditure in the various departments has been but slightly increased; and that while the cost of working per mile was on the accession of the present Government to power \$3,839.38, it was

Perhaps the most gratifying part of referred to the great success which has attended the change made in the winter port of the Canadian mail steamers. weekly steamers of the Allan ceedingly inconvenient. The Intercolonial had not been sufficiently tested, &c. The change, however, was made, and no one now doubts about its having week's Gazette: been a great success. It has contributed very materially to the successful

\$471,042. For the corresponding period of 1876 they had risen to \$613,-384; while for the last six months of 1877 they stood at \$715,186. This state of things is still going on. For the

Government is taking measures to have the road between Quebec and Riviere du Loup put on a more satisfactory footing than at present. When this has been accomplished another step will have been taken towards making the Intercolonial Railway, as far as it can be made, a successful commercial enterprise and a national benefit.

WAR NEWS.

RUSSIAN CRUISERS. A despatch dated Moscow, April 24th, says :- A large public meeting was held here to-day under the anspices of the Cen-tral Committee, for collecting subscrip-tions for the formation of a Bussian cruiser flotilla. It was resolved that the Government of each Province should fit out a

A London despatch dated April 24th, says telegrams from Constantinople say that typhus fever is increasing among the Russians at Adrianople and Rodosto.

A despatch dated April 24th, says a special to the Political Correspondence from Bucharest, says fears of Russian occupation are increasing. It is rumored that INVENTIONSTHATHAVEBEEN the Russians are endeavoring to induce Prince Charles to change his cabinet in order to obtain the conclusion of a military convention permitting the passage of

in the event of war, has asked Germany te guarantee a line of demarcation during

the negotiations. Bismarck is considering the negotiations. Bismarck is considering the request.

THE MUSSULMAN INSCRECTION.

A despatch dated April 24th says the Mussulman inscreetion is exceedingly formidable. It engages 3,000 Russian troops and extends over 10,000 square miles from between Tartar Basardjik and Philippopolis to Gumuldschina and Tohermen. The insurrection was caused by the intolerable oppression of the Russo-Bulgarian regime, and was brought to a head by the abduction of Turkish women by Bulgarians. Cannon and musketry firing is heard daily near Teherman. A sanguinary and indecisive engagement was fought

near Domotica on the 18th. The Russians lost 500 men, including eight officers killed. Reinforcements have been sent

from Adrianople. THE INSURRECTION IN BOUMALIA. A despatch dated Constantinople, April 25th, says the Russians have established and with the same result. The assail-ant has gained nothing by his onalaught St. George, a few miles north, and are nution roads.

The Turkish Seraskierate has received information that the insurrection in Rou showing how that public work is being malia is spreading. There has been another engagement, in which 60 officers, ing upon the country, and what in (presumably Russians) were placed hors de

GORSCHAKOFF SICK. A despatch dated London, April 25th says Gortschakoff has been confined to his bed since Monday, and serious apprehensions concerning him are felt. His fever increases, and there is fear that it is

insted that at this early stage of the result of the yearly deficit on the Instant would have been so small.

TO THE FARMERS OF MIRAMICHI. We have been Manufacturing

IRON FRAME MOWERS

For the last four years, and are now offering to the farming community this, the BEST MOWER, Engineers & Boiler Makers combining greater excellence of mechanical simplicity together with greater durability and entire reliability for all the requirements or the field, than any other Mower extant. —In construction they are similar to the celebrated Waiter A. Wood's Iron Frame Mower, and the Richardson Buckeye, both American Machines. Of the former there are over 200,000 in use, and the Extraordinary number of 20,000 were manufacture and sold last season, by the Wood Company of United States. We have over 500 of our manufacture now in use, every one of which (no exceptions) stands as a monument of the grand and understands and an use over 500 of our manufacture own in use, every one of which (no exceptions) stands as a monument of the grand and understands and use of the grand and understands as a monument of the grand and understands and apital and Cash Assets exceed £2,000,000 sterling
