HALF A MILLION FIRE LOSS.

Lumber Plant and Mill Burned in Patterson, N. J.—1200 People Out of Work.

PATTERSON, N. J., June 22.—A loss that is conservatively estimated at \$500,000, was caused by a fire which started in the lumber plant of the P. S. Vankirk company early today. Within five minutes after the flames were discovered they had spread throughout the entire plant of the lumber company. It jumped the street to Hall's big silk mill, occupied by eight firms and that structure was practically destroyed. At least 1200 persons are thrown out of employment. Poor water service was accountable for the spread of the flames to the silk mill. The flames from the fire hose barely reached the second story of the structure. The firm burned out was: I. A. Hall and Company, Broad Silk Co., Vankirk Lumber Co., Olympic Velvet Company, Patterson Silk Throwing Co., Post Shed Co. and several other minor firms.

PRaise FOR EDWINA PAUL.

The New York Dramatic Mirror in a recent issue devoted a column to a criticism of the Black Mask, the play that May Nannery and the Dalley Co. are now starring in. The reviewer says that little Edwina Paul is the cleverest child actress that it has been his pleasure to see for the last twenty-five years. Miss Blanche's work is well spoken of, while a rather severe criticism is given of the other members of the company.

The Black Mask was played for one week at the Grand Opera House, New York. The company are now on the road.
