

**THE CALVARY CHURCH, WOODSTOCK, (COLORED).**—No pastor for last six months. Meetings have been kept up. Aid wanted to sustain a pastor.

**ST. JOHN TEMPLE CHURCH.**—We are exceedingly desirous that the Holy Spirit may be poured out from on high, that the preaching of the gospel may prove efficacious not only in our own church, but in all the churches of the saints. One has been added to our number by baptism.

**CABLETON, ST. JOHN.**—The number reported in our statistics is not a fair index of our numerical strength. A revision of our list of names of church members may considerably reduce our numbers. Financially, too, we feel our weakness. But we are not destitute of faith. With the blessing of the Most High we shall still persevere and prosper.

**ST. JOHN, GERMAIN STREET.**—On the 2nd of October, 1877, we laid the corner stone of our new church edifice, which is larger than the former one, as we purchased the lot adjoining on Queen Street, giving us 120 feet by 100; and on the first Sunday in March we entered our new vestry. In a month or six weeks we expect to open and dedicate the upper part of our new sanctuary, and we pray that the spiritual glory of the present house may far exceed that of the former one. Our members are gathering together to their spiritual home. Our congregations are good, and strangers are joining in our worship. Our Sunday school is progressing under the charge of our worthy superintendent; our Mission at Portland Bridge is hopeful, and the building is being enlarged to accommodate the people.

**ST. JOHN, LEINSTER STREET.**—After referring to the terrible fire of the 20th of June, and the loss of their sanctuary and parsonage, the letter proceeds: "We have purchased another piece of ground adjoining our former site, upon which we have commenced to erect another house of worship. Owing to the fire our members have been very much scattered, and it will probably be some time before they can be gathered together again; but amidst all these discouragements we are not without hope that the Lord will, in his own good time, visit us again with his presence and power."

**ST. JOHN, BRUSSELS STREET.**—The past year, though not marked by a general revival of religion, has been, in some respects, rich in spiritual blessings. Unity prevails amongst us. A very decided growth is manifested in social meetings, in the Sunday school, and in other departments of Christian activity. Seven have been added to our number by baptism. We are looking for an outpouring of the Spirit among us.

**UPPER GAGETOWN.**—After referring to the severe affliction their pastor, Rev. George Howard, suffered in the death of his beloved wife, the letter adds: "As a church, religion is in a low state among us, yet we trust that there are not a few who have the cause of God at heart, and are greatly desirous for a revival of pure and undefiled religion in our midst."

**LOWER HAYNESVILLE.**—Our hearts have been made glad by the coming of Rev. S. Burt among us, and by the blessing of God attendant on his labors three were baptized, and more are enquiring—what they must do to be saved.

**HODEDON AND RICHMOND.**—Rev. Joseph Cahill has labored with us one-half his time since April 21st. Our meetings are well attended; prayer and conference meetings have been sustained. We are praying for an outpouring of the Holy Spirit.
