Interesting Exercises Carried Out by Students—Visitors Much Pleased With Showing Made.

The schools of the city closed yesterday for the usual nine weeks' summer holidays, and a happy bunch of boys and girls were set free to enjoy themselves for that length of time.

At the High School the programme was devoted to Shakespeare, this being the tercentenary of his birth. The class essays treated of different phases of his life, and a number of the pupils presented sketches from the "Merchant of Venice."

At St. Vincent's High School the closing exercises began at 10 o'clock. Dr. H. S. Bridges presented the diplomas to the graduating class.

HUGHES' FORGES ORGANIZE FOR THE CAMPAIGN

Wm. R. Wilcox, Chairman of National Committee—Roosevelt Accepts Invitation to Dine with Hughes.

New York, June 27.—Developments at the temporary headquarters here of Charles E. Hughes, Republican presidential nominee, ranged today from ratification by the national sub-committee on organization of the nominal choice of William R. Wilcox, as chairman of the Republican National Committee, to the announcement that Theodore Roosevelt had accepted a particular friend of the nominee.

Mr. Wilcox, lawyer, former postmaster of New York, and until 1913 chairman of the public service commission of New York, is a personal and particular friend of the nominee. Chairman Wilcox announced that he soon would open headquarters in New York and would devote his entire time to the campaign. Other officers of the national committee will be elected later. Col. Roosevelt's acceptance of Mr. Hughes' dinner invitation resulted from an exchange of personal notes. Col. Roosevelt also is invited to dine with Mr. Hughes at Oyster Bay with Mr. Hughes.

Whether Col. Roosevelt would make a tour in behalf of Mr. Hughes was discussed at the Hughes headquarters today as well as the probability that President W. H. Taft would be asked to make a number of speeches for the ticket.
