

ORANGEMEN HAVE GREAT DAY AT PETITCODIAC

WESTMORLAND ORANGEMEN HAVE BIG CELEBRATION

Splendid Weather Favors Large Assembly At Petitcodiac—Parade in Afternoon and Patriotic Addresses in Front of Mansard House By Grand Master Wadman, Rev. B. H. Thomas, Leonard Gay and Dr. O. B. Price.

Special to The Standard.

Petitcodiac, July 12.—The celebration of the Glorious Twelfth by Westmorland County Orangemen at Petitcodiac today was attended and participated in by one of the largest crowds in the history of the order in this county. Provincial Grand Master Wadman states that the number of people in attendance was the largest he has seen in his forty years of actual participation in Twelfth of July celebrations in Westmorland.

The village of Petitcodiac has never been visited by a greater crowd and it was with difficulty that all were accommodated at the meal hour. The village was gay in bunting and the day was given over to the celebration. About five hundred Orangemen marched in a parade held in the afternoon. There were a few Orangemen present from Sussex, Havelock, Albert county and other points outside this county.

Parade and Speeches. County Master W. J. Matthews of Moncton, followed by the Moncton City Silver Band and Orange lodges of Moncton headed the procession, which started from in front of the Mansard House about two o'clock. After marching around the village about half an hour, the parade disbanded at the starting point, and speeches were delivered from the balcony of the Mansard House. Provincial Grand Master H. G. Wadman of Moncton presided and after speaking briefly called upon Rev. B. H. Thomas, P. G. M. of Dorchester, Leonard Gay, junior deputy Grand Master of Salisbury and Dr. O. B. Price of Moncton. All speakers received a fine reception from the large gathering.

The world war and the noble part being played by members of the Orange order in it was fitting text for all speakers. It was emphasized that 60,000 Orangemen in Canada had voluntarily enlisted in the Canadian army and at present time there were some 80,000 members of the Orange order with the Canadian forces fighting the battles of the Empire. Loyalty to the Empire and support of the just cause for which the Allies are fighting permeated the different speeches and their sentiments were emphatically endorsed by all present.

The day's celebration so largely participated in was marked by beautiful weather and the best of order and will long be remembered by the people of Petitcodiac and surrounding country. Not a single mishap occurred to mar the pleasure of the day. Moncton and Sackville Orangemen made a trip on the regular train which had extra cars for the accommodation of the large number from the eastern section of the county.

employed in any government department, and that all enemy businesses should be wound up within three months.

Sir George Cave.

Sir George Cave, Secretary for Home Affairs, who opened the debate, referring to the public anxiety on the question, said he believed this anxiety was due to insufficient knowledge of the steps taken to protect the country from anything like alien danger. The Home Secretary said it was true that there was anxiety even among thoughtful and reasonable men as to what might be the effect of so large a number of aliens in England and that it was the duty of the government to take all reasonable steps for the safety of the country.

The Enemy's Fault.

Such outrages as the sinking of hospital ships, Sir George said, must affect the point of view from which the question was approached. If the enemy permitted acts of that kind enemy subjects must suffer in the estimate which all decent people formed of them. The government proposed, he said, to set committees in each country to undertake the revision of all exemptions from internments in the case of men and exemptions from repatriation in the case of women.

Quebec, July 11.—The pastor of St. Pierre, near Montreal, Rev. Father Desaulniers, came near his death with his chauffeur and a parishioner, when their motor car struck a pile of rocks near a little bridge near Deschambault, Port Neuf county, and the car was hurled down into the stream. Luckily none of the passengers were hurt to serious extent, but the car was badly smashed.

Washington, July 11.—In response to a request for postponement of the July draft call in the northwest, where wheat is ready for harvest, the provost marshal, General Crowder, has informed the department of agriculture that the military program will not permit of delay in filling the monthly demand for drafted men.

ORANGEMEN HAVE GRAND DAY AT ST. GEORGE

Hundreds of People Go To Town in Autos and Other Vehicles.

SPEECH MAKING, A PARADE AND SPORTS

County Master McMahon, Judge Cockburn and Ministers Speak.

St. George, July 12.—The Glorious Twelfth was celebrated in splendid style by the local Orange lodges. The morning dawned foggy, but soon cleared and ideal weather prevailed throughout the day. Continuous streams of humanity poured into town by automobile and other vehicles all the morning and St. George was full of people.

At two o'clock a procession was formed, headed by the St. George corner band. In the parade were members of St. George, Penfield, L'Etoile, and Bonaventure lodges. The procession led by County Master James W. McMahon passed through the principal streets and disbanded at the stand, where a programme of speech making was carried out. M. E. Baldwin opened the exercises with inspiring remarks. An address of welcome was delivered by Mayor McGrath, after which patriotic addresses were given by County Master McMahon, Rev. H. T. DeWolfe, Rev. Paul Maxwell of Sydney, Rev. D. W. Blackall and M. N. Cockburn, K. C., of St. Andrews. The program was interspersed by band selections.

There was a sporting programme, which many saw. The programme included a baseball game and horse races. The Acadias of St. John and St. George played a game, St. George winning 12 to 8. The Orangemen had their headquarters in Court's Hall and there was dancing during the afternoon and evening. Meals were served by the ladies of the Baptist and Presbyterian churches and by the Orangemen. It is estimated that full four thousand people were in town during the day. It was a grand occasion for St. George and the Orangemen.

RAILWAY MEN FAVOR STRIKE

Winnipeg, July 11.—Metal mechanics employed in all railway shops at Winnipeg, in a mass meeting held here last night for the purpose of taking a strike vote as to whether they were prepared to wait until the McAdoo award had been given in the United States, decided by an overwhelming vote in favor of an immediate strike, and opposed to the suggested delay. A resolution was passed instructing their committee in Montreal to demand their original presentation, irrespective of the United States award.

This resolution will give the committee in Montreal power to call out the men in the entire railway shops of Canada if their demands are not met. Approximately the entire membership of 22 unions, excepting those actually on duty were present. J. A. McClelland, international president of the machinists organization presided.

New York, July 11.—Jeremiah A. O'Leary, indicted for conspiracy to commit treason, took the stand as a witness for his brother at the trial of John O'Leary on the charge of aiding Jerry to flee from justice. The witness was questioned by the prosecution as to his alleged anti-British and pro-Irish sympathies, for which he is charged with having conspired with Germans and Sinn Féin sympathizers to destroy British ships. He said that as editor of Bull he had devoted his time and talent to the Irish question because he wished the United States to assist in freeing Ireland. He insisted he was a loyal American, had no hatred for Englishmen or women, was opposed to German imperialism and believed in an efficient army and navy, but only to defend the United States.
