Win. S. Graves, commanding the 8th vision to amp remont, California, has been assigned to command American topsor to she had revolved to commander for the joint Allied force in Siberia has yet been elected, General March said.

The nucleus of the American forces sent to Siberia, General March said, would be the 27th and 21st regular regiments on duty in the Philippines, which would be supplemented later by troops from the United States.

The object of the expedition is confined strictly to the announcement made recently by President Wilson through the state department, the general added, and is not for the purpose of establishing an eastern front. Referring to the situation on the western front, General March pointed out that the terrain between the Vesle and the Aisne lends itself to offensive operations of which the Germans are taking full advantage. The American forces sent to Siberia, General March pointed force in Siberia has yet been elected, General March said.

The nucleus of the American forces sent to Siberia, General March said.
