The work of improving the interior of Brussels street Baptist church is progress ing well and the there will be ready for re-opening in September. Among the im-provements will be a new baptismal foat, which will be placed in the northeast eor-ner of the auditorium, several pews being removed to give it place. The large font will be surmounted by a canopy and on this will be painted by a canopy and on this will be painted by a view of the River Jordan. It will be so done that the appearance will be that the river of the font. The painting will show the river for some miles of its course. The canvas will be about 15x6 feet. Mr. Alex. Watson will do the painting. Leading from the font to the church parlors will be an inclined passage, through which the minister and the one to be haptized will return after the ceremony. The idea of the painting referred to was gleaned by the pastor, Rev. H. F. Waring, in Wiscon-sin, and it promises a very pretty effect. **Dituary.** Montesquieu McDonald.
