PEOPLE IN AGONY
Physicians Cornered!

I SUPPOSE there is not in the whole of a physician's experience, anywhere, to be found suffering which calls for the assistance of a man, to such an extent, as to witness the agonizing scenes of a poor man, suffering from that fearful disease.

RHEUMATISM!
Rheumatism has been a considerable source of affliction among medical men, and in the opinion of this disease, suffering from it, is the most common of all the ailments of the human system; but it is now generally admitted to be a disease arising from a general debility of the system, and further it is admitted that Rheumatism can never be thoroughly cured without terminating such poisonous matter from the blood, and this is the only way to cure it.

DIAMOND RHEUMATIC CURE!
A wonderful medical discovery.
MR. ISSACSON'S ENDORSATION.
MONTREAL, 21st March, P. J. Messrs. Devine & Sons.

FURTHER PROOF.
I AM ANOTHER MAN!
St. John, N. B., Sept. 23, 1874.

Dear Sir, I have suffered for fifteen months with Rheumatism, and could not find any relief, after trying every medicine that I have had the advice of some of the most prominent medical men in the Province, and I have been treated with all the remedies that I have used, but I have not been able to get any relief, until I used your Diamond Rheumatic Cure. I have used three bottles of this valuable remedy, and I feel greatly improved, and as a consequence of a permanent cure.
