We encourage all readers, especially RCMP employees to purchase gift subscriptions for family members, neighbours, business affiliates or colleagues from other police forces who are interested in the RCMP and would be interested in reading the *Quarterly*.

LOOKING FOR PEN-PALS

✓ **From Germany** A police officer from Berlin, who is also a member of the International Police Association (IPA), obtained a copy of the Winter 1996 issue of the *Quarterly* through an IPA friend. As he painstakingly read through the *Quarterly* with the help of a dictionary, his interest in

the RCMP was peaked. Now he would like to correspond with RCMP members, especially those who are enthusiastic collectors of police badges and uniforms. Interested parties can contact:
