

TURKISH BLACK SALVE!!!

Under the Patronage of the Honourable the East India Company.

THIS SALVE, prepared from the original recipe procured from a Celebrated Turkish Hakim, (physician) of Smyrna, in Asia Minor, and which has obtained an unprecedented celebrity in Great Britain and the East Indies, from the astonishing Cures performed by it in both these countries, has lately been introduced into Montreal. As might be expected, its popularity has followed it, and its use is becoming general among all classes.

The Proprietors, prompted by the very flattering reception it has met with in the Metropolis, have determined on extending its usefulness in all other parts of Canada; and, for that purpose, have established Agencies in all the principal Cities. They flatter themselves that when its wonderful properties shall become more generally known, they will meet with that encouragement which the introduction of such a valuable medicament into a country justly entitles them. The contracted limits of an advertisement necessarily precludes their entering into any adequate detail of its merits, but, for the information of the public, they intend to publish, from time to time, such statements of cures as may occur, and for the present will content themselves with merely enumerating some of the complaints for which it has been used with the most complete success,—such as Swollen Glands, Broken Breasts, White Swellings, Cuts, Whitlows, Scalds from Steam boat Explosions, or other causes, Burns, Scrofulous Sores, Sore Nipples, Carbuncles, Scald Head, Gun-shot Wounds, Bruises, Boils, Frostbites, Wens, Chilblains, Ulcerated and Common Sore Throats and Bunions. If used in time, it will prevent or cure Cancers, also, Swellings arising from a blow on the Breast, Ring-worm, Pains in the Back, Rheumatism, Gout, Pains in the Chest, Palpitation of the Heart, Complaints in the Liver, Spine, Heart and Hip, Rushing of Blood to the Head, Swelled Face and Toothache. Its benefits are by no means confined to the Human race, but it extends its healing qualities to the Brute creation. It is an excellent application for Saddle and Harness Galls, Broken Knees, Crucked Hoofs, &c. In fact, it is impossible to enumerate half the complaints that have been cured by the application of this Salve. It is very portable—will keep in any climate, and requires little or no care in its application, as it may be spread with a knife on any substance, viz: chamois leather, linen, or brown paper.

VOICE OF THE PRESS.

The original Recipe of the "Turkish Black Salve," was brought from Smyrna, in Asia Minor, by an English Lady, and hence its name. By this Lady the recipe was given to a celebrated London Chemist, in the Strand, who alone for a length of time manufactured it in England; and it had a most extensive sale for its merits were duly appreciated, although they were never publicized by advertisements of any kind. After the death of this Lady, the recipe was given by some of her relations to the present Proprietors, who have constantly made it for their own use and that of their friends, and have also given away quantities of it to poor persons. The Proprietors have lately introduced it into Montreal; its use and the benefits resulting from it are well known in several of the most respectable families in this city.—*Montreal Morning Courier.*

CERTIFICATE.—INTERNAL PAINS.—Gentlemen,—I beg to add my testimony to the efficacy of your Turkish Black Salve, and you are at liberty to make this letter known in whatever form you may deem proper: for I think it right that the virtues of such an invaluable medicament should be made known as extensively as possible. I had for some time been afflicted with pains in my side and arms, which eventually became so painful as to destroy my rest, and to be almost insupportable. I tried many remedies, but to no purpose. At length hearing of your Salve, I procured some, and applied it as a plaster, according to the directions on the wrapper, and, after a few applications, the pains left me, and, although several months have since elapsed, I have had no return of them. I am, Gentlemen, your obliged servant.

Montreal, Nov. 1848.

Punch in Canada

CIRCULATION 3000!

Annual Subscription, 7s. 6d

(Payable in advance.)

CLUBS! Subscribers forming themselves into Clubs of five, and remitting six dollars, will receive all the back numbers, and five copies of each issue, until the first of January, 1850. A remittance of three dollars will entitle them to the Publication until the first of July.

To Future Subscribers.

In all cases the subscription must be paid in advance. The half dollar being awkward to enclose, a remittance of one dollar will entitle the subscriber to the Publication for eight months; four dollars will entitle the sender to five copies of each number for eight months; two dollars to five copies for four months.

To Present Subscribers.

In some few instances, Punch has been sent to orders unaccompanied by a remittance. This involves book-keeping, expense of Collectors, and ultimate loss. The Proprietor respectfully informs his present subscribers, who have not paid their subscriptions, that No. 8 will be the last number sent, on the unpaid list, not because he doubts their responsibility, but because he dislikes the nuisance of writing for money. He detests to be dunned, and will not lay himself under the necessity of dunning.

To Booksellers.

All Agents for Punch are respectfully requested to send in their account of sales, and remit the amount due, however small. Let them remember that wise saw, of which the accounts of "Punch" present a modern instance, "Money a mickle mak a muckle."

To Advertisers.

Punch in Canada circulates from Sandwich to Gaspé.—The travelling season is about to commence. Not an Hotel in the Canadas, but Punch will be on the table. Not a steamboat on the rivers or the lakes, but he will perambulate amongst the passengers. Reflect on this, Oh, Advertisers, who seek for support and sustenance from the Biped who migrate, and honor Punch and yourselves by inserting your names in his pages.

OPINIONS OF THE PRESS.

PUNCH IN CANADA.—This satirical and funny old dog has arrived in Canada and taken up his abode, permanently, we hope, in the good city of Montreal. We have received the first number of the publication; it is decidedly superior to any thing of the kind that has ever been published in Canada. The illustrations are very good, and the periodical is certainly well got up.—*British American.*

The contents are striking, sarcastic, and pointed, on public men, even the libelled lawyer, Gubee, does not escape, and the Editor seems determined to—

"Eye Nature's walks, boot fully as it flies,
And catch the manners living as they rise."
The work is interspersed with wood cuts, after the style of its great progenitor. The designs are admirable, and well executed. We wish the proprietor and publisher success in his novel undertaking.—*Hamilton Spectator.*
