

## Little League preparing for 'ambitious' season

Erindale Lions Little League Baseball Association, already one of Canada's most ambitious ball circuits, is preparing for another boom.

"This will be by far our most ambitious year ever," says registrar Peter Hossack. "We expect upward of 720 registrations, an increase of 18 per cent over last year's total."

Registrations will be held

at Springfield Public School's gymnasium on Saturdays, March 31 and April 7, between 10 a.m. and 2 p.m. Eligible are all boys and girls in the 6 to 17 year age bracket who reside in an area bounded by Hurontario Street on the east, Queen Elizabeth Way on the south, Winston Churchill Boulevard on the west and Eglinton Avenue on the north.

Fees, payable at the time of registration, are \$9 for the

first child in the family; \$5 for the second; and \$2 for each additional child. This fee structure applies to midget boys, senior league, little league (including major, minor and T-ball) and girls softball classifications.

Erindale's showcase Little League Stadium in Springfield Park has light system installed, opening the way for the first night games.

## Basketball all-stars

Continued from Page B1

strongest part of his game is rebounding. Thorne attended the Acadia basketball camp during the summer and returned to Peel to become a devastating outside threat. His long range sniping, sometimes from ridiculously far out from the bucket, demoralized opponents.

Don Dash, an honourable mention choice last year, was the only Central Peel player named. A complete player who can shoot, rebound and handle the ball equally well, Dash was his team's standout star.

Given honourable mention in his first year of senior basketball, Kennedy's six-foot-five Henry Vandenburg has walked away with first team honours the last two seasons. The fluid Kennedy center was paid perhaps the ultimate compliment by opposing coaches who designed special defences to try and stop him.

His coach, Sandy Roland, thinks Vandenburg really bloomed in 1973. "Everybody knew he was good last year but nobody really knew how good," Roland says. "This year he had a left hand and outside shooting to go with the rest of his game."

Finishing out a stunning high school athletic career, Erindale's Shawn Dunn was named a first team star for the third consecutive time. The honour came despite the fact Dunn missed part of the season after being injured in an automobile accident.

Possessed of exceptional leaping ability and body control, Dunn changed his game of necessity this year. His scoring dropped off as he concentrated on rebounding and containing the toughest opposing big man on defence.

Raider coach Walt Jowett has run out of superlatives to describe his player. He was particularly moved by Dunn's performance in a crucial loss to Lorne Park. Unable to even run in and take layups during practice because of his accident, Dunn nevertheless played a solid game against the Spartans as Erindale made a last ditch effort to reach the playoffs.

On the second team, Lorne Park placed forward Paul Ford and streakshooting guard Garth Nicholas. Ford uses his quickness and mobility to great effect. Nicholas, known to teammates as "Gus," has a deadly left-handed jump shot that can be unstoppable when he gets hot.

The inspirational leader for T.L. Kennedy, firey Mike Meadows, is another steady shooter who rarely missed from his favourite spots along the baseline.

Despite playing for teams with dismal records, Ed Pimental of Streetsville and Clarkson's Al Bignell also made the second team.

Pimental is a good dribbler and ballhandler. The six-foot Bignell considers ball control his major asset. Both players were honourable mentions last year.
