Sir,

With reference to the explanation  
 contained in your letter of the 19<sup>th</sup>  
 instant in regard to the item in  
 Requisition from the Six Nations  
 Indians dated the 5<sup>th</sup> ultimo & viz  
 Jonathan repairing Superintendent's  
 Stable \$15<sup>00</sup>. I have to inform you  
 that as you reside in Brantford,  
 and not in Tuscarora, it was sufficient  
 that the repairs were made to your  
 stable in the former place. The amount  
 if such were the case, could not be  
 paid for from the fund of the Band.

As it appears however, that the  
 stable in question is connected with  
 the Six Nations Council House the  
 objection
