Rev. Sir:-

I beg to say that the Department has learned from Mr. Palmer, the Indian Agent of the Sarnia Band, that you have asked the Sarnia Band Council to pay ~~for~~ medical attendance for Durnford Thomas to the amount of \$100.00. The Department desires an explanation in the matter. Kindly state the nature of the lad's illness and why you have charged for extra medical attendance in his case.

Your obedient servant,

Asst. Deputy & Secretary.
