Ottawa, 7th December, 1911.

Gentlemen,-

I have to request that you will kindly supply for the Indian Boys' and Girls' Industrial Schools at Wiskemiko the drugs required for those institutions at the rates which you have quoted on the price list which you submitted to the Department. The drugs should be shipped to Mr. C. D. L. Sims, Indian Agent, Manitowaning, and they should be carefully packed so that they may reach their destination in safety.

The consignments for the two schools should be packed separately in one large package.

Kindly forward your account in detail and in duplicate to the Department and attach thereto the receipt for the prepaid freight charges on the consignment. You should certify on the account that the prices charged are wholesale rates. Kindly send to Mr. Sims with the drugs a list of the articles contained in each package in order that he may check over the goods received.

Your obedient servant,

Asst. Deputy and Secretary
