Ottawa, 3rd April, 1915..

Sir,-

The Department desires to draw particular attention to the fact that your reports regarding medical work on behalf of Indians have not been received for the months of October, November, and December 1914, and for January, February and March, <sup>1915.</sup> They should be submitted without delay through the office of the Indian Agent, Mr. Harris. I may add that if the Department does not receive your reports regularly in future, it is proposed to hold your salary cheque.

Your obedient servant,

For Assistant Deputy and Secretary.

C. C. Archibald, Esq., M.D.,  
Bear River, N. S.
