

IMITATIVE EXERCISES.

The cat is on the tree.
 Good cats catch rats and mice.
 This cat kills and eats birds.
 Wild cats live in the woods.

Ce chat sur l'arbre est comme un des chats sauvages.
 Ces chats sauvages passent presque tout leur temps
 dans les bois.
 Les bons chats passent presque tout leur temps à la
 maison.

THE CAT ON THE TREE.

1. Look at that cat high up on the tree.

2. Good cats stay in the house. They catch mice and rats.

3. But this cat climbs trees, to catch birds. It kills and eats them.

4. There are wild cats, which live in the woods. They spend most of their time on trees, where they catch birds and rob their nests. This cat is like one of them.

cats		mice		one		tree
good		like		rats		wild
