DR. BRANDETH requests a perusal of the
following article:—

LIFE AND DEATH,

Every thing has two distinct principles to
its nature; one

THE PRINCIPLE OF LIFE

THE OTHER

THE PRINCIPLE OF DEATH.

So long as the principal of Life predomi-
nates, Health is enjoyed. When the princi-
ple of Death, Sickness takes place. How is this
accounted for?

By the principle of Death, I mean the
principle of Decomposition or decay, which is
each hour going on in the human frame from
the hour of birth, to that of our final exit.
While the natural outlets—the pores—the
bowels—and all other directories of the body,
discharge these decayed particles as fast as
they are generated, we are in a state of
health; we are free from the presence of the
disease.

When, from breathing an impure atmo-
sphere, living in a vicinity of swamps, or
where we are in the constant habit of coming
in contact with bad smells—effluvia arising
from obnoxious accumulations of animal or
vegetable bodies in a state of putridity, being
infected from a living body under the influ-
ence of disease in a malignant state; or se-
dimentary occupations; or, in short, any cause
which promotes decomposition faster than the
stomach and bowels and the other excretories
can remove, naturally; we are then in a state
of disease. And should the cause which pro-
duces this state of the body remain, and not-
withstanding be done to drive the accumulated and ac-
cumulating impurities out of the body, the prin-
ciple of death or decomposition, will become
paramount, and the last glimmering of life de-
part from the once animated clay.

How then, shall we contract these death
dispensing influences? How?

PURGE!—Yes—I say Purge!

The magic in that word shall yet be un-
derstood, if this hand or brain can accomplish so
mighty an explanation. Yes, purged be that
pain in the head, the back, the bowels, the
foot, the stomach, the side, the throat. Does
it arise from internal or external cause,—I
still say purge!—For know this self-voided
truth, that pain cannot exist, save by the pre-
sence of some impurity—some deposit of
decomposed particles upon the organ or part
where the pain is seated. And purging dis-
charges this impurity by the bowels, and con-
tinuing the practice daily will cure every
complication of disease; and will prevent any
one from becoming seriously indisposed; even
when in constant contact with the most mal-
lignian fevers which cannot by possibility se-
riously affect the body, if we are continually
careful to preserve it in a pure state, by fre-
quent and effectual purgation. Hippocrates
says, "Purgation expulses what must be ex-
pulsed, and patients find relief; if, on the
contrary, they are tormented by purgation, it
is a proof there are yet matters which must
be expelled."

The subscriber of this has resided in every
variety of climate, and by always purging
on the first appearance of sickness, has enjoyed
for the last ten years, uninterrupted health.
For we may call such the state of him who is
never sick more than 6 or 8 hours, about the
time it takes to secure the effect of a purga-
tive. The purgative I make use of is my
grandfather's pills, and they are, to my cer-
tain knowledge, the most judiciously balanced
purge in existence. I have used them for 8
months daily, in doses of from 2 to 16 pills per
day, to satisfy myself as to their innocence.
It therefore, cannot be doubted. It is my
opinion, that any person, be he ever so pro-
tracted by disease, provided he is capable of
taking exercise at all, may lengthen his life
to 60 years, by continuing to assist his natural
functions with the BRANDETH VEGETA-
BLE PILLS. Death never can take place
until the Principle of Decomposition puts out
the lamp of life. And that would seldom be
before 60 or 70 years, was this principle of
purgation always resorted to on the first ap-
pearance of sickness.

In the hope that these remarks may be of
some service, I am the public's obedient ser-
vant,

D. BRANDETH, M. D.

Great caution is required to procure the
genuine Brandeth Pills.
Druggists and Chemists are never in any
place appointed Agents by Dr. B. All his

authorised Agents have an engraved certi-
ficate of agency, signed by himself; unless
this certificate can be shown, do not purchase.
This caution is absolutely necessary to guard
the public against spurious Pills.

PILES, &c.

HÆMORRHOIDS—NO CURE NO PAY!

Price \$1—Hay's Liniment—No Fiction.

THIS extraordinary chemical composition,
the result of science and the invention of
a celebrated medical man, the introduction of
which to the public was invented with the
solemnity of a death-bed bequest, has since
gained a reputation unparalleled, fully sustain-
ing the correctness of the lamented Dr. Grid-
ley's last confession, that "he dared not die
without giving to posterity the benefit of his
knowledge on this subject," and he therefore
bequeathed to his friend and attendant, Solon-
on Hays, the secret of his discovery.

It is now used in the principal hospitals and
the private practice in our country, first and
most certainly for the cure of the Piles, and
also so extensively and effectually as to baffie
credulity, unless where its effects are wit-
nessed externally in the following complaints:—
For Dropsy—Creating extraordinary absorption
at once.

All Swellings—Reducing them in a few
hours.

Rheumatism—Acute or Chronic, giving
quick ease.

Sore Throat—By cancers, ulcers or colds.

Croup and Whooping Cough—Externally,
and over the chest.

All Bruises, Sprains and Burns—Curing in
a few hours.

Sores and Ulcers—Whether fresh or long
standing, and fever sores.

Its operations upon adults and children in
reducing rheumatic swellings, and loosening
coughs, and tightness of the chest by relaxa-
tion of the parts has been surprising beyond
conception. The common remark of those
who have used it in the Pills, is "it acts like
a charm."

THE PILES.—The price \$1 is refunded
to any one who will use a bottle of Hay's
Liniment without being cured. These are the
positive orders of the proprietor to the Agents,
and out of the many thousands sold, not one
has been unsuccessful.

We might insert certificates to any length,
but prefer that those who sell the article
should exhibit the original to purchasers.

CAUTION—None can be genuine without
a splendid engraved wrapper, on which is my
name, and also that of the Agents.
