124 King St. East, Toronto, Ont.

Growers and Importers of Field, Garden and Flower Seeds.

Send your address and we will return you Post free, our

Gardener's Assistant for 1868, which contains our List of **FLOWER SEEDS** Choice and selected from best growers in France, England and Germany.

GARDEN SEEDS of every variety and true to name. **FIELD SEEDS**,—Turnip, Carrot and Mangel, such as are supplied by us to the leading dealers and growers throughout Canada and the United States, with full directions for their successful culture.

FAMILY ASSORTMENT OF GARDEN SEEDS. PRICE \$2 00.

We send this favorite collection **POST PAID** on receipt of the money. It comprises the usual varieties (except peas and beans) in sufficient quantities for a family of ordinary size, where called for, or ordered by Express. Peas and Beans will be added without extra charge.

COLLECTIONS OF FLOWER SEEDS.

10 varieties of choice annuals and perennials for 50 cents. 20 varieties of extra choice annual and perennials for \$1 00. All remittances at our risk, if in registered letters.

BAUGH'S RAW BONE SUPERPHOSPHATE.

COMPOSED of unbolled ground bone, guano and sulphuric acid. One hundred pounds per acre of this remarkable fertilizer will often double the crop and produce a much more lasting effect, than twice the quantity of other Superphosphates, which are all manufactured from boiled bones and refuse animal matter.

Price per ton.....\$50 00
A sample bag of 100 lbs. for 4 50

A sample box for garden use.....\$1 00
Per pound in smaller quantities..... 0 04
