

I.H.C. Spreader Pointers

A good spreader costs considerable but it is worth more than it costs.

A poor spreader is an expensive luxury, no matter what it costs.

When you buy an I. H. C. Spreader you are buying something standard.

You get for your money—

—A substantial, durable machine

—One that is easily handled

—It handles manure in any condition.

—No spreader made does better work

—No spreader is lighter in draft.

I. H. C. Spreaders are well proportioned machines. They are strong

but not needlessly cumbersome—strong where strength is needed, with due regard for light draft and load to be carried.

The I. H. C. apron is driven at both sides, by both hind wheels. This eliminates all binding, friction and undue strain.

It has a vibrating rake to level the load—exclusive feature.

It has a wide range of feed, consequently a large or a small amount of manure per acre can be distributed. It is the only spreader controlled and operated entirely with one lever.

Made in three sizes for each of the two types, Cloverleaf, endless apron, and Corn King, return apron.

Call on the international local agent or write nearest branch house for catalog.

Send three cent stamps for a copy of "Farm Science." Book just from the press, written by eight leading agricultural authorities of the United States. Treats practically every farm topic in the most forceful, money-making way.

GOSSIP.

The auction sale of Shorthorn cattle and Shropshire sheep from the herds of T. H. Medcraft & Sons and W. G. Sanders & Son, at Sparta, Ont., on Oct. 10th, was unfortunate in regard to weather conditions, the attendance and bidding being unsatisfactory, prices for cattle ranging from \$60 to \$100. Sheep sold fairly well, shearing ewes making as high as \$46 each, and down to \$40 a pair.

LANGTON STOCK FARM CO., LTD.

The Langton Stock Farm Co., Limited, is an incorporated body, whose purpose is to import and otherwise deal in pure-bred stock. Their farm lies three miles north of the City of Brantford, Ont. The manager, Mr. T. A. Cox, has just arrived home from England with their first importation, consisting of 9 Hackney stallions and mares, 56 Shropshire sheep, 34 ewes and 22 rams (shearlings), 1 Berkshire boar and 4 Berkshire sows. A little later, Mr. Cox again intends visiting Scotland for Clydesdales, Shorthorns and collie dogs. The Hackneys are as follows: All Fours (imp.), a six-year-old chestnut, by Fandango, dam Mischief, by Matchless of Londesboro, a horse of great substance, with style, action and quality, and a noted stock horse; Jubilee Performer, a black five-year-old horse, by Jubilee Chief (imp.), dam Miss Baker (imp.), by Ruby. This is a horse of outstanding excellence, and has won four firsts at Toronto. Warwick Albert (imp.) is a bay two-year-old, by Warwick Premier, dam Warwick Lady, by His Majesty. This is one of the coming shew Hackneys, whose all-round action is faultless, and his style superb. The mares are Bold Lady (imp.), bay four-year-old, by Clifton 3rd, dam Litcham Lady Dane, by Bonfire. Warwick Maid (imp.), bay, four years old, by Young Dorrington, dam Horology, by Coldstream Duke; Warwick Daisy (imp.), brown, four years old, by Adbolton Conquest, dam Alert, by Confidence; Miller's Daughter (imp.), a red-roan, two years old, by Garton Duke of Connaught, dam Mauders, by Hue and Cry Shales; Langton's Bell (imp.), a seven-year-old chestnut, by Langton Performer, dam Belgravia, by His Majesty; Bianco (imp.), chestnut, nine years old, by Seagull, dam Cherry Ripe, by Jubilee Chief; Leading Lady (imp.), chestnut, four years old, by Stampede, dam Beautiful Nell, by Courier; Beautiful Nell (imp.), a brown, eight years old, dam Trinket, by Fireaway; Berkeley Elegance (imp.), bay, two years old, by Fireboy, dam Dainty, by Ziltinger. She is a Hackney pony, in foal to Berkeley Royal. Several of these mares are suckling foals and are again in foal. They are a typical lot. Those not suckling foals are in grand shape, and are big, flash mares. Everything mentioned is for sale.

The Shropshire are all of T. S. Minton and Harding breeding, and are an exceedingly choice lot, with size, bone, quality and perfect covering. The 22 shearing rams are a rare nice, even lot, and high-class flock headers. They are all for sale. The Berkshire boar is Danesfield Donovan (imp.), by Danesfield Don, dam Danesfield Hollyrood. This year he was reserve for championship at the Royal; a very long, deep-sided, even hog. The sows are: Danesfield Sower (imp.), by Danesfield McKinley, dam Danesfield Lottie 2nd, by Danesfield Hampton; Danesfield Jilt (imp.), by Danesfield Boy, dam Luck's Audacious, by Luck's Job; Danesfield Florence (imp.), by Baron Kitchener, dam Buscot Nora, by Danesfield Julius; Danesfield First Choice (imp.), by Baron Kitchener, dam by D. F. Julius. Here are a quartette of really excellent sows—show animals every one. They will be bred for March litters. Besides these, there are several other sows (Canadian-bred) that are ideal in type and quality, also young stock of both sexes and all ages. Anything on the farm, imported or home-bred, is for sale, and their breeding and individuality are gilt-edged. Brantford is the P. O. and station. Look up the advertisement.

Does Your FOOD Digest Well?

When the food is imperfectly digested the full benefit is not derived from it by the body and the purpose of eating is defeated; no matter how good the food or how carefully adapted to the wants of the body it may be. Thus the dyspeptic often becomes thin, weak and debilitated, energy is lacking, brightness, snap and vim are lost, and in their place come dullness, lost appetite, depression and languor. It takes no great knowledge to know when one has indigestion, some of the following symptoms generally exist, viz: constipation, sour stomach, variable appetite, headache, heartburn, gas in the stomach, etc.

The great point is to cure it, to get back bounding health and vigor.

BURDOCK BLOOD BITTERS

Is constantly effecting cures of dyspepsia because it acts in a natural yet effective way upon all the organs involved in the process of digestion, removing all clogging impurities and making easy the work of digestion and assimilation.

Mr. R. G. Harvey, Ameliasburg, Ont., writes: "I have been troubled with dyspepsia for several years and after using three bottles of Burdock Blood Bitters I was completely cured. I cannot praise B.B.B. enough for what it has done for me. I have not had a sign of dyspepsia since."

Do not accept a substitute for B.B.B. There is nothing "just as good."
