HOLLOWAY'S OINTMENT.

CURR OF RHEUMATISM AND RHEUMATIC GOUT. Sctract of a Letter from Mr. Thomas Bruuton, Landlord of the Waterloo Tavern, Coatham, Yorkshire, Lite of the Life Guards, dated September 28th, 1848.

To Professor Houseay.

Sia.—For a long time I was a martyr to Rhenmatism and Rhenmatic Gout, and for ten weeks previous to using your medicines I was so bad as not to be able to walk. I had tried doctoring and medicines of every kind, but all to no avail, indeed I daily got worse, and felt that I must shortly die. From seeing your remedies advertised in the paper I take in, I thought I would give them a trial. I did so. I rubbed the Ointment in as directed, and kept cabbage leaves to the parts thickly spread with it, and took the Pills night and morning. In three weeks I was enabled to walk about for an hour or two iv the day with a stick, and in seven weeks I could go any waere without one. I am now, by the blessing of God and your medicines, quite well, and have been attending to my business more than seven months, without any symptoms of the return of my old complaint.

ness more than seven months, without any symptoms of the return of my old complaint.

Besides my case of Rheumatic Gout, I have lately had proof that your l'ills and Ointment will heal any old wound or ulcer, as a married woman, living near me, had had a bad leg for four years, which no one could cure, and I gave her some of your l'ills and Ointment, which soundly healed it when nothing else would do it. For your information I had the honour to serve my country for twenty-five years in the first regiment of Life Guards, and was eighteen years a corporal. I was two years in for twenty-five years in the first regiment of the Guards, and was eighteen years a corporal. I was two years in the Peninsular War, and was at the Battle of Waterloo. I was discharged with a pension on the 2nd September, 1833. The Commanding Officer at that time, was Colonel Lygon, who is now a General. I belonged to the troop of Captain the Honourable Henry Baring.

CURE OF A BAD LEG OF TWENTS-ONE YEARS' STANDING.

Extract of a Letter from Mr AndrewBruck, Blacksmith, Evemouth, near Berwick, dated the 10th of August, 1848

Exemouth, near 1.2.

1848
To Professor Holloway.
Six.—With pleasure and gratitude I have to inform you that after suffering for 21 years with a bad leg, which yielded to no kind of treatment, although I consulted, at different times, every medical man of eminence in this part of the country, but all to no purpose. I was frequently unable to work; and the ain and agony I offeendured no one can tell. My leg is now as sound as ever it was in my life by means of your Pills and Ointment, which I purchased from Mr. I. Davidson, Druggist, Ber wick-upon-Tweed, who knows my case well, and will, I am sure, be happy to certify with me, if necessary, as to the truth of this wonderful cure.

AMPUTATION OF TWO TOES PREVENTED.

Patract of a Letter from Mr Oliver Smith Jenkins, dated
Falkirk, August 13th, 1848.

Falkirk, August 13th, 1848.

To Professor Holloway,
Sia,—I was superintending about six months ago, the erection of one of our Railway Bridges, and by the fall of a large stone my right foot was seriously bruised, which ultimately got so bad, that I was advised to go to Edinburgh to consult some of the eminent Surgeons, which I did, and was told that in order to save my foot, two of my toes must be taken off. In despair, I returned home to impart the melancholy news to my wife, intending to submit to the operation, it was then a thought struck me to try your valuable Ointment and Pills, which I did, and was by their means in three weeks enabled to resume my usual occupation, and at this time my toes are perfectly cared. AN EXPRADEDINARY CURE OF A DESPERATE SKIN DISEASE.
On the 21st July, 1848, the Editor of the "Mofussilite"
Newspaper, published in India, inserted the following Editorial article in his paper. "We know for a fact, that Holloway's Fills and Ointment act in a most wonderful manner upon the constitution, as an eccentric Coolie, called Eliza, employed in our Establishment, was affected with myrlads of Ringworms, which defied all the Meerut Doctors, and promised to devour the poor man before he was under ground; we tried 'Holloway' upon him, and in a month he was perfectly restored to his former condition and cleanliness of skin. The effect was miraculous."

CURE CONSUMPTION.

The most strongly marked and developed cases of Pul monary Consumption, where the lungs have become diseased and ulcerated, and the case so atterly hopeless, as to have been pronounced by Physicians and friends, to be past all possibility of recovery, have been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medications which are peculiarly adapted to and essentially necessary for the cure of

COUGHS AND CONSUMPTION. COUGHS AND CONSUMPTION.

Its operation is mild, yet efficacious; it loosens the phlegn, which creates so much difficulty, releaves the cough, and assists nature to expel from the system all diseased matter by expectoration, producing a delightful change in the breathing and chest, and this, after the prescriptions of the very best medical men and the inventions of kind and sorrowing friends and Nurses, have tailed to give the smallest relief to the Consumptive sufferer.

THOUSANDS OF CONSUMPTIVE THOUSANDS OF CONSUMPTIVE persons have been deceived repeatedly in buying medicines which were said to be infallible cures, but which have only proved palliatives, but this medicine is not only a palliative but a cure for uccerated lungs. It contains no detections drugs, and one trial will prove its astonishing efficacy better than any ascertions or certificates in curing consumption and all diseases of the Lungs, such as Spitting of blood, coughs, pain in the side, night sweats, here here

About 1000 sertificates of almost miraculous cures, per-About 1000 certificates of almost miraculous cures, performed by this medicine, from some of the first Doctors, Clergymen, and Merchants, have been sent us for this medicine, but the publication of them looks too much like Quackery (will show them to any person, calling at our office.) This medicine will speak for itself and enough in its own fivour wherever it is tried.
