There's no Substitute
 A dealer may tell you of another wheel to take the place of the **MASSEY-HARRIS**. There is no substitute in the whole of Bicycledom.

It stands alone the best wheel made. With the new Hygienic Cushion Frame it is to wheeling what the "Pullman" is to railroading.

A Physician's Testimony For Labatt's Stout.

Dear Sir —
 ALEXANDRIA, Dec. 20th, 1901.
 Speaking from personal experience I can state that your Stout is excellent in building up the system—I was very much run down and was advised to use Labatt's Porter—this I have done for some time and I largely attribute to its effects my steady improvement in strength and weight. I deem it but justice to you, and it certainly is a pleasure to me, to add my testimony to its sterling qualities, and I gladly recommend your Stout as an excellent tonic and food in cases where such is required.
 JOHN LABATT, Esq., Brewer, London, Ont.
 Yours truly,
 G. S. TIFFANY, M.D.

TWO NOTABLE BOOKS.

The Better Way.
 BY CHARLES WAGNER.
 Cloth, \$1.00 Post-paid

Seldom indeed, is it that a book with a lesson to teach parallels the success of popular fiction; yet "The Simple Life" has been constantly on the "best selling" lists since its publication. This is the book of which President Roosevelt repeatedly said in public speeches that he wished it could be used as a tract throughout the land. We have now ready another book by Charles Wagner, the rugged, simple, high-thinking Alsatian who wrote "The Better Way." It has all the purity and beauty of thought and style that characterize "The Simple Life" and its plea is for higher standards of character.

The Story of My Life.
 BY HELEN KELLER.
 Cloth, \$1.50 net. Post-paid

Not for many years has so unusual and striking a book been published. All the world knows of this young woman, who lost sight, hearing and speech in early childhood. The story of her life, written by herself, and telling, as it does, step by step, her advance in speaking, reading by the lips, writing, and, in brief, the achievement of a varied and complete education, is unparalleled in the annals of education. It is one of those rare volumes which one can prophesy a long life for with certainty, and it is interesting to note how generally this is pointed out by the critics. The book is carefully and fully illustrated.
