**"EXPERIENCED"**

That's the word that stopped you up like a stone wall.

That first year, when you were looking through the advertisements for an opening to "teach school," remember how that word crept into the majority of the ads.?

Experience counts, every time.

Eight years ago we established a special department for the exclusive handling of Library needs and so have no hesitancy in laying claim to unusual experience in looking after Public and High School requirements.

Let us help you fill that vacant place on your School Library shelves with good, worth-while books that the pupils will enjoy. Renew those old thumbed and worn copies with clean, bright, new ones.

Make the Library attractive. It pays every time.
