

HOT WEATHER the Ideal Time to Use a **DE LAVAL** CREAM SEPARATOR

THERE is no time when the use of the DE LAVAL Cream Separator is so indispensable to the profitable production of cream or butter as during the hot weather of midsummer.

The use of the separator at this season usually means the difference between a profit and a loss in dairying. It accomplishes a great saving of butter-fat that goes to waste with any other method of separation and enables the production of a higher quality of cream and butter-fat than is otherwise possible.

Moreover with a DE LAVAL the advantages over other cream separators are greatest at this season because the separation is more complete and the cream heavier and more even in texture. The machines turn more easily and the capacity is greater, getting the work through more quickly.

If you haven't a separator you can scarcely afford to defer the purchase of a DE LAVAL, or if you have a separator which is not doing satisfactory work there is no better time to discard it in favor of a DE LAVAL, first trying the machines side by side for your own satisfaction, which every DE LAVAL agent will be glad to give you the opportunity to do.

See the nearest DE LAVAL agent at once or if you do not know him write us direct for any desired information.

To Our Readers

We are pleased to inform our subscribers that our mailing list has been completely revised. Arrangements have been made with the Railway Mail Service so that each reader of The Guide ought to have his paper on FRIDAY same week of issue at the latest, unless, of course, any unforeseen circumstance should arise. Every copy of our publication leaves this office not later than THURSDAY noon, each week, while the mail for points farthest away is forwarded on TUESDAY and WEDNESDAY. We are endeavoring to render prompt and satisfactory service.

Register Your Complaints

If the date on your label has not been altered after you have sent in your renewal, please inform us straight away. This is for your own protection as well as ours. We cannot possibly acknowledge receipt of every subscription we receive. If the date is extended on your label, this will be considered sufficient acknowledgement.

About Your Remittance

We respectfully suggest that our patrons remit by Express or Money Order. If currency is sent, do not fail to register your letter. We cannot accept responsibility for money sent loosely in an envelope.

Change of Address

As each number of The Guide is exhausted immediately after publication, it is, therefore, absolutely necessary that we receive from our subscribers a full two weeks notice of any intended change of address. It is also necessary that our readers give their old as well as their new address.

Don't forget to report any irregularity
immediately to the
