Debentures on Sale at Treasurer's Office Not Yet Gone

Simcoe, June 1.—(From our own Correspondent)—A meeting was held last night in the town hall for the purpose of devising ways and means of financing the Simcoe I. O. D. E. to the extent of at least \$500 a month for the next twelve months. As the invitation to attend was not extended to all citizens it may not be called a mass meeting but those present were there on invitation by telephone or personal invitation from members of a sub-committee of four or five men appointed by a committee of citizens who were present at a meeting of the County Patriotic Committee and the Naval League held jointly with a couple of other citizens to receive a deputation of the I. O. D. E. regarding the field and magnitude of the patriotic efforts of this body. This is as close to the origin of the movement as we can get. Last night's audience were not advised of the incipient stages of the movement. Suffice it to say that those called were selected from the voters' list as those, from former observations, most likely to attend. There were about fifty men and the following I. O. D. E. members were present: Mrs. Simpson, Miss Lawson, Mrs. Merrill, Mrs. Williamson, Miss McCall, Mrs. L. F. Aiken, Mrs. Hlicks.

His Honor Judge Boles was called to the chair and outlined the purpose of the meeting. Mrs. Simpson, on request gave a recapitulation of the last annual financial statement of the chapter. Total disbursements \$5,010.54.

Service Not Confined to Simcoe Soldiers.

Alderman Langford emphasized the fact that the supplies forwarded went to the Red Cross fund in general, to field comforts and unknown prisoners of war and to Norfolk's soldiers irrespective of the municipality from which they came; that some rural organization shipped through the I. O. D. E. here and that it should be explained why it was contemplated to canvass the town and follow up if necessary with an application to the town council for a supplementary grant, when the chapter was serving the whole country. He thought the county council should be approached and the whole county effort organized.

Ward Captains Appointed.

The following ward captains volunteered to organize the canvass force: W. Sutton, W. L. Innes, H. B. Donly, A. Rose, I. D. Lawson, and from a larger executive, Messrs F. Reid, Rev. A. B. Farney, Geo. Curtis, L. F. Aiken and J. B. Jackson were added. Several others volunteered to assist.

Struck a Knot

Mr. J. B. Jackson told the meeting that the ladies of the Presbyterian Church now in operation two months had raised \$400 for material and were sewing and forwarding through the I. O. D. E. and thought that they preferred to continue their efforts. The funds came from the men of the church, and this part of the subscription should revert to St. Paul's. His Worship ruled that the meeting was not called to consider anything but the I. O. D. E. His Honour Judge Boles will convene the committee of ten next Tuesday evening. This agreed the meeting proper adjourned. When the Hall was well nigh cleared, someone remarked that those present were all Presbyterians and the question of continuing support to the Ladies' Aid of the church was revived and threshed over. No decision was arrived at formally, of course, but the opinion prevailed that the church work should continue. Then it occurred to one of the group that seven of the members of the executive just appointed were our own boys, and as Clerk, W. C. McColl had arrived to accompany Mayor Williamson home, or for company home, the hall cleared.

As Matters Stand

There is a healthy enthusiasm to remove the embarrassment of the I. O. D. E. in matters financial. There is considerable opinion that the ideal method would be to have the I. O. D. E. as a clearing station and all the churches working separately. The Methodist ladies, financed by the I. O. D. E. have begun work at the church. It is just possible that an effort will be made to organize the whole county in the matter and give every municipality an opportunity to share with Waterford, Wingham, Port Dover, Port Rowan and Delhi, in the matter in hand, the first three named above have been working for some time. Many rural organizations look after the general needs of their own boys, in smaller communities, and even Lynnville and Lynedoch, contribute through the Simcoe I. O. D. E. Last evening's move may be only the long deferred initiative of a thorough county organization.

Debentures Not Sold

Tenders for the town's \$29,447.79 of School and \$4,840 local improvement debentures, to the number of seven were opened yesterday at the treasurer's office. The best offer \$42,631 was made by two firms. This was 96,259 or approximately \$96,250 on the \$100. The total discount amounting to \$1,656.79 or approximately \$975.00 less than the offer made a couple of months ago. The committee decided not to sell at present.

May Offer Locally.
