At the experiment Small Band of Three Hundred Italian Soldiers Fortified in the Mountains Washington, May 8.—One of the most remarkable incidents of the war was related to-day in this communication from the Italian Supreme command: "Cne of our prisoners, who es-caped from an Austrian camp and succeeded in reaching the Italian lines after a series of thrilling experiences, narrates that at Cimolai injuries, dislocation of the left east of Longarone, three hundred wrist, and discoloration of the right and present the most stubborn re-sistance to the Austrians, who thus far have been unable to dislodge

strong position in the mountain Cimolai is in the invaded Italian territory and the Italian soldiers, holding the position, have successfully resisted siege and assaults for

the battle front in France.

Chatham building permits for April show an increase over April, 1917. Permits for April were \$16,-435, and for the first four months of 1918, \$19,520.

Tillsonburg ratepayers will vote after the Italian retirement, and is believed to represent one of the

helieved to represent one of the groups of soldiers who held out of edient to the order to stand or die. Yanks and Bohemians in Italy New York, May 8.—The presence

of an American contingent and a Bohemian legion on the Italian front, is reported in a despatch from Austrian press headquarters, dated April 8, to The Berliner Tageblatt, a copy of which has been received here. The number of supposed Americans or to what arm of
the service they belong is not reported by the correspondent, who
added that British and French aux. iliary troops are no longer on the Italian front. The despatch reads "On the Alpine and Playe front the Italians continue their prepara-tions feverishly. A new army con-mander, General Morrone, recently president of the highest war and marine court, has appeared there. "The British and French auxiliary troops have disappeared from the various special troops and artillery On the other hand it has been ascer tained that in addition to an American contingent at Bormio, a Czech-Slovac legion is also present on the
