### PATENT RECORD

A monthly publication of inestimable value to the student of every day scientific problems, the mechanic, the industrial expert, the manufacturer, the inventor—in fact, to every wide-awake person who hopes to better his condition by using his brains. The inventor, especially, will find in The Patent Record a guide, philosopher and friend. Nothing of importance escapes the vigilant eyes of its corps of expert editors. Everything is presented in clean, concise fashion, so that the busiest may take time to read and comprehend. The scientific and industrial progress of the age is accurately mirrored in the columns of The Patent Record, and it is the only publication in the country that prints the official news of the U. S. Patent Office and the latest developments in the field of invention without fear or favor.

Newsy Bullets by the  
Reporter's able staff  
of Correspondents

### CHARLESTON LAKE

Mrs. D. Woods is our sick list. A little girl has come to stay at George Shook's.

A great many from here attended the Brockville Fair.

Mr. Oliver Mallon, South Albion, N.Y., is visiting at J. Foster's.

Miss H. Green is having some repairing done on her residence and store.

W. Mott has closed his grocery for a few days and gone to his home in Athens.

Miss M. Foster, spent a few days last week in Brockville, the guest of Mrs. Joel Judson.

The Jewett family who spent the past few months at Kings' cottage, returned home on Friday.

Confirmation services were held at Trinity church, Lansdowne, by His Lordship, the Bishop of Ontario. Mr. and Mrs. A. W. Johnston entertained the Bishop and Rev. Mr. Wright at dinner.

### GREENBUSH.

There is a splendid opening here now for a good shoe maker.

A great many from here attended the Brockville Fair last week and were much pleased.

Mr. W. E. Davis, of Fairfield, is operating his stone crusher in this neighborhood at present.

L. B. Kerr had the misfortune to fall while working on a silo and received an injury which has developed into an abscess. He is confined to his room.

The Rev. Mr. Warren, of Athens, made several calls in this neighborhood on Saturday. He is a welcome visitor and is very much respected in this vicinity.

We regret that Mrs. Parthena Blanchard's health was not much improved by her trip to the North West, but hopes are entertained for her recovery in due time.

Greenbush has indeed become a hive of industry caused by cheese-making, stone crushing, silo filling, blacksmithing, thrashing, sawing lumber and shingles, grinding provender and running novelty works. The demand is increasing every day for steam engines, mechanics and laboring men.

On Friday evening, to increase the hurry and bustle, Greenbush was pleasantly invaded by a wedding party from the west. Dr. and Mrs. Morgan are now enjoying their honeymoon with friends and relatives in this section. Dr. Morgan is practicing medicine in Adelaide in Western Ontario. Their many friends here wish the young couple a happy journey through life.

### WASHBURN'S

(Too late for last week.)

Mr. Saxton Washburn has sunk a new well, drilling over 100 feet in the rock, and found good living water. He has also erected a new Brantford windmill at a total cost of about \$400.

Mrs. Samuel Barnes has returned home from Quebec where she has been spending a part of the summer with her husband in his cheese factory.

E. C. Bulford has a litter of ten spring pigs, a cross between a Chester White and a Yorkshire, which, on Sept. 1st, weighed on an average of 125 lbs. each. When weighed again in 15 days, they averaged 158 pounds each, an average gain of 28 pounds in 15 days, being nearly two pounds each day. If any one around here has done

better than this we would like to hear from them through The Reporter.

### GREENBUSH HARVEST DINNER.

The harvest dinner held in connection with the Greenbush Methodist church last week was a decided success. The dinner was served in the hall adjoining the church and an abundance of provisions was provided, and the literary programme was of a first-class order. Rev. Reynolds, Athens, and Robertson, North Augusta, delivered short addresses and music was furnished by the Frankville musical quartette. Maude Brown, and Alfred Snider gave excellent recitations. Miss Richards, Miss Dixon and Mrs. Dixon, of Greenbush, and Miss Aggie Booth and Mrs. Grey, of Addison, also assisted in the entertainment. Rev. Mr. Lawson presided.

### PRESENTATION AND ADDRESS.

Addison Ladies' Orange Benevolent Association Honor Their Mistress.

ADDISON, Sept. 20.—Last evening the members of Addison Ladies' Orange Benevolent Association met in Ashwood Hall to bid goodbye to their worthy mistress, Mrs. E. J. Pritchard, who is going to Toronto to reside. The going presented to Mrs. Pritchard a silver cake basket and the following address:

WORTHY MISTRESS:

Resolved that the officers and members of this Lodge do most deeply deplore the loss of such an upright, amiable and conscientious sister and mistress in whom we have every confidence, who always discharged the duties devolving upon her zealously, faithfully and well, not only to the great satisfaction of the members of her Lodge, but to the whole Order in whatever position she occupied, and by her God. Fearing and upright conduct both in word and deed endeared herself to all, and proved her loyalty to her sovereign, country and our beloved order. Her cheery presence and wise counsel will be sadly missed in our happy gatherings as well as in the community where she has lived a blameless life and without an enemy. We feel that we cannot allow this opportunity to pass without in some tangible way giving expression of our appreciation of your services and we ask you to accept this present as a slight token of the same. Asking for some little prayer for the providence and guidance of our Heavenly Father to be ever given to you and your son.

Signed on behalf of the Order,  
Mrs. SCOTT, D. of C.  
Mrs. DUFFIELD, Chaplain.  
Mrs. MURPHY.  
Mrs. QUINN.

Mrs. Pritchard very ably expressed her thanks to the Order for their kindness and good wishes.

### British Flag on Patos.

London, Sept. 20.—Port of Spain officials here have been told that the British Government has raised the British flag on the Island of Patos, near Trinidad, notwithstanding the protest of the Venezuelan Government. Sovereignty over Patos has long been in dispute between Great Britain and Venezuela.

Landslide Wrecks a Mine.  
Victoria, B. C., Sept. 22.—A landslide destroyed the hydraulic plant, including flumes, sluices, monitors, etc., of the Thibet Creek Mining Company, at Cassiar, which cost \$60,000. Two men who were at work at the time had a very narrow escape.

### Nova Scotian Schooner Lost.

Portland, Me., Sept. 22.—News was received here Saturday of the loss of the large, three-masted schooner Glenrosa of Parrishboro, N. S. She went on Ram Island ledge early Saturday morning, and will be a total loss. The crew of eight was saved.

## FREIGHT BROKE IN TWO.

Released Cars Collided With the Second Section.

When the Accident Happened the Train Was Climbing a Grade—Two Killed and Three Injured—Dead Are Engineer Swanton and Fireman Faulkner—Two Engines and Eight Cars Ditched—Other Fatal and Serious Mishaps.

Lindsay, Ont., Sept. 22.—Two men were killed and three injured as a result of a wreck on the G. T. R. at an early hour yesterday morning. Engineer Swanton and Fireman Faulkner were instantly killed. The three injured men are not badly hurt. The disaster was of a peculiar character. A long freight train was climbing the grade between Midland and Cambridge, when it broke in two. The rear of the train started down the grade at a terrific speed. The second section of the freight was but a short distance behind, and the collision was inevitable. The second section was a double header, and both engines were thrown into the ditch along with eight freight cars when the wreck occurred. The engineer was buried under his locomotive, while the fireman killed was in the way of the string of cars that was thrown into the ditch. All those hurt were trainmen. Fatal Wreck at Maberly.

Toronto, Sept. 19.—An open switch was responsible for a fatal wreck on the C.P.R. at Maberly early yesterday morning. The Montreal Express was partially derailed and Fireman William Ross of Toronto was instantly killed. Engineer Alexander Rose, a Toronto man, was badly injured, and E. J. Peters, an extra fireman in the cab, was slightly hurt. J. K. Moores, a Chicago traveling man, and Miss Maggie Wolf of Buffalo, passengers, were slightly injured by being thrown from their seats.

Struck by G.T.R. Express.

Toronto, Sept. 22.—The body of Harry Phillips, 25 years old, a laborer, was found on Saturday morning on the G.T.R. tracks west of the Markham road bridge. Both legs were broken and the head badly crushed, and the indications are that he was struck by the G.T.R. express east, leaving the city at 9 o'clock Friday night.

### Vagrant Run Over.

Montreal, Sept. 22.—A woman named Frances Jackson, aged about 45, who started Saturday to walk to Halifax by the I. C. R., was run over and killed by a Grand Trunk train near St. Hyacinthe. The unfortunate woman said she had friends in Nova Scotia, but she had been arrested here as a vagrant and liberated on condition she would leave town.

### Conductor Cameron Killed.

Hamilton, Sept. 19.—Early yesterday morning, in the Stuart street yards of the Grand Trunk Railway, John Cameron of Sarnia Tunnel, a freight conductor, was killed. How he met his death no person knows, but it is supposed that he was struck by the express which leaves here at 12:30. About 10 minutes after the express pulled out Cameron was found dying at the side of the track in a dying condition. One foot was severed from the leg and his face and head were badly crushed. He was also injured about the body. He died soon after being taken to the hospital.

### Killed in Ottawa.

Ottawa, Sept. 19.—Michael Le-croix, a married man with a large family, was killing a governor in the Ottawa Electric Light Works yesterday morning when he came in contact with a live wire, and was hurled to the ground. His skull was fractured and he died two hours later.

### Fell Into the Thresher.

Toronto, Sept. 22.—George Bull of Scarborough Township on Saturday morning while engaged in threshing on the farm of James Wilson was crossing from one mow to another when he fell and was caught by the revolving cylinder of the thresher. The machine was stopped as soon as possible, but before his foot was terribly lacerated by the teeth of the cylinder. He was extricated, and a physician summoned. Bull was afterwards brought to Toronto and at the General Hospital his right foot was amputated.

### Drowned in a Barrel.

Petrolia, Sept. 19.—Harry Richmond, a liveryman here, committed suicide by drowning early yesterday morning. Deceased had been despondent for some time, and money troubles contributed to his worry.

### Boat and Drowned.

Rat Portage, Sept. 22.—Archie McLean, a steamboat hand, slipped from a boat into the water and was drowned before help could be secured.

### With Bullet in His Head.

Thorold, Sept. 22.—The body of William Davidge of the Thorold Pulp Co. was found by members of his family dead on the floor of his room with a bullet wound in his right temple about 10:30 yesterday morning. It is not known whether it was accidental or a case of suicide. Coroner Dr. Lemon deemed an inquest unnecessary. Mr. Davidge came from Niagara Falls, N.Y., about two years ago. He was about forty years of age and leaves a widow.

### Died From Her Injuries.

Cornwall, Sept. 22.—Miss Lillian Stacey, the young girl who had the scalp torn off her head by being caught in the machinery of the card room of the Canadian Colored Cotton Mills about five weeks ago, died at the Cornwall General Hospital at 10 o'clock on Saturday.

### John Jones Robbed.

Buffalo, Sept. 22.—John Jones, 28 years old, a newspaper man, who claims Belleville, Ont., as his home, was held up and robbed of \$80 and his gold watch by two men on Commercial street early Saturday morning.

## THE MARKETS.
