Horticultural Society of Athens District

Spring Flower Exhibit

The spring bulb show, held under the auspices of the Horticultural Society of Athens district, in the Institute room, town hall, Athens, on Saturday, February 28, was a splendid success. Many visitors were attracted by the beautiful bloom, and congratulations are to be extended to the society for their untiring efforts to present such a creditable show.

As one entered, the place was a bower of beauty, the hyacinths were first on the tables, here the mass of color was wonderful, from the deepest violet hues to the paler shades, and as one passed along it was impossible to say which we would have judged worthy of the prizes. Then tulips, daffodils and narcissi, each seemed to have a happy greeting. On the next table were the house plants, and these, too, wanted to whisper that the long cold days of winter were about over and spring was again on the way. Here Rev. Mr. Curtis had several choice varieties of gladioli bulbs exhibited.

The Ontario Temperance Crisis

A Summary of the Situation suggested by Rev. H. E. Warren

- The Ontario Government has come out into the open, as champion of the Wets.
- The representatives of the Government have, with rare exception, wholly disregarded the majority voice of their Ridings.
- The dries are openly charged with the entire responsibility for the following reasons:—
 - Their Intolerance,
 - Their Coercion,
 - Their Ingratitude, seen in their desertion of their Temperance leaders by turning them out of power.
 - Their Ignorance, in not seeing that doubly loading drink is not real temperance advance.
- After a million paid for an instruction of the Government to enforce the Act, we have in return a thinly veiled system of Government Control.
- The sympathy of the Dries is alienated in the enforcement of the Act.
- The Dry forces of the Province undertake the work of the future with the identical handicap of the Dries in Quebec, Manitoba, Alberta, Saskatchewan and Br. Columbia.
- The next line of defence is the local municipality.

HOCKEY

NEWBORO WINS BOTH CUPS.

Defeat Athens in Finals for Gray Trophy, Then Gananogue for Possession of Stewart Cup.

In two hotly contested games in the Brockville Arena Monday night the fast Newboro team won the honors for the Leeds County Hockey League, represented by the Gray Cup, by defeating Athens 1-0 with the score of 5-1 on the round, and then defeated Gananogue for possession of the Stewart Cup, representative of the championship for the whole of Leeds County.

The games were attended by a large crowd of spectators, including about 270 hockey fans who came by the special train on the Brockville-Westport line. The ice was in good condition, and the three games took from 8.30 to midnight to play off, with only enough halt between periods to clean the ice.

The first game was played between Athens and Newboro in the S.C.H.L. finals. Lieut.-Col. A. W. Gray, M.P.P., donor of the trophy, faced the puck off at the start of the game, and M. Simon officiated as referee. The two teams battled on very even terms, the only goal of the game being scored by Paul Lake, Newboro, just two minutes before the end of the game.

The teams lined up as follows:—
 Newboro—W. Lake, goal; Williams and C. McCarthy, defence; Hull, centre; P. Lake and Taylor, wings; Moriarity and F. McCarthy, subs.
 Athens—Yates, goal; Scott and Taylor, defence; C. Lang, centre; R. Lang and Johnson, wings; Hagen and Purcell, subs.

In the second game of the evening Gananogue easily eliminated the Brockville Arenas for the right to play off for the Stewart Cup. They won the first period 4-0, and Brockville forfeited the game by playing the juniors in the second frame to provide a "game" for the spectators. The second and last period ended 4-4 for the Gananogue Wanderers.

The third and last game of the night, between Newboro and Gananogue, was a real good contest, Newboro winning 2-1 mainly by using better combination play.

Women's Institute Notes

The Athens Women's Institute was organized by Mrs. Laura Rose Stephens in May, 1911, the first regular meeting being held in the auditorium of the town hall on June 24th. Meetings were held in the hall, private homes, and in the high school hall until the village council, recognizing the value of the public service rendered by the Institute, passed a by-law giving the society the free use of one of the lower rooms in the town hall. The W. I. then decorated the room, placed hangings at the five large windows, installed a piano and purchased dishes for social purposes, thus making an ideal meeting place for which every member is grateful and justly proud. On February 28th, 1914, a social meeting was held to celebrate the opening of the Women's Institute room. The programme given by the young girls was as follows: piano solo by Miss Nellie Earl (now Mrs. Dr. Stone, of Norway House, Manitoba); vocal solo by Miss Florence Wilson (now Mrs. Dr. Bracken, Athens); recitation by Miss Keitha Smith (now in Kingston, teacher); piano solo by Miss Mabel Rowsome (now Mrs. H. Fortune, Elbe); recitation by Miss Hazel Latimer (now Mrs. R. Coon, of London, Ont.); vocal solo by Miss Leita Gorman (now Mrs. E. Rowsome, Athens); duet by the Misses Jessie Percival and George Spry (now Mrs. G. G. Gatch, of Marquette, Man., and Mrs. H. Newsome, Plum Hollow); recitation by Miss Edna Eaton (now Mrs. A. Kelsey, Athens); song by little Miss Marjory Earl (now in the High School); biography and selected poems of William Wordsworth, by Carrie Covey (now in Rochester, N. Y.). The social hour over the tea-cups brought a pleasant hour to a close.

For seven consecutive years many interesting and important meetings were held in the room here. Annually the husbands and friends of the members were entertained, special gatherings were held in honor of the grandmothers, and the children were each year given a day of instruction and entertainment. During the war days this room was the distributing centre for Red Cross-work, thousands of garments being here cut out by the Institute ladies. Bales of clothing were here packed for French, Belgian and Russian relief. Baryals of clothing were collected here and packed for overseas, and from twenty-five to forty pairs of "goodies" were packed each month for our own boys who were enduring the hardships of war. All these and many other incidents endear this room to the hearts of true Institute members. The burning of the High School necessitated the vacating of this room, and for four years the Institute has wandered from one place to another until the new High School was opened, which presented an opportunity for returning to old headquarters. The room has been renovated, decorated and Institute property returned. On February 28th, 1925, just eleven years to the day and hour—from its first formal opening, the reopening took place. Many reassuring comments, as "How cheerful," "how homey," "how good to get back," were heard on every hand. The Horticultural Society held its spring exhibit in connection with the meeting, thus in a bower of garden beauty and with the air laden with the fragrance of many blooms, a most fitting setting was presented for celebrating the Institute's return home.

The meeting opened with the singing of the Institute carol. After the reading of the minutes, financial reports and new business, the regular programme was given. This was brief owing to the exhibit, which was open to the public at 3.30 p.m.

An excellent paper was read by Mrs. (Rev.) H. E. Warren on the subject "Making the Most of Life," in which an impressive contrast was made between "making a life" and "making a living." He who would make the most of life must have for something which is life itself, eternal possession of which is the sake of others is the holiest ambition. The principles which govern the truly successful life were closely defined, and every sentence uttered was a gem, well worthy of applying in daily life. Home training, making best use of each moment, each opportunity, and the development of latent possibilities, are vital factors in working out the ideal which is the controlling force in life and which can only be made most of when wedded to tireless energy and patterned after the Christ. The speaker concluded her address with the beautiful poem "The Tapestry Weavers," which will appear in the next issue of the Reporter. A vocal solo by Mrs. Hone was much enjoyed, as was the piano solo cleverly played by little Miss Olive King.

The March meeting will be held in the W. I. room March 28th. Rev. C. Curtis will give a talk on "The Perennial Border and its Cultivation." A short talk will be given on "What Institute Members May Hand Down to the Future."

Group III are planning a bake-sale, an afternoon tea and a six o'clock tea served in cafeteria style, on March 17th, in the W. I. room.

Kindly note that the side entrance next to Dr. Peat's home will in future be used for all Institute meetings.

BAPTIST CHURCH AT PHILLIPSVILLE HAS 122ND ANNIVERSARY

Special Services and Entertainment Mark the Event.

Phillipsville, Feb. 25.—The congregation of the Baptist church celebrated the 122nd anniversary of its organization in this place, with special services on Sunday last, with the pastor, Rev. B. Davies, as the preacher both morning and evening. Special music featured these services. Owing to the extremely unfavorable condition of the weather and roads on Monday night, the entertainment and supper were held on Tuesday night. The programme, under the chairmanship of the pastor, was fully appreciated and enjoyed by all present, the musical part being replete with well rendered numbers by the Pierce orchestra of Newboro, and a male quartette from Delta. Rev. W. T. Keough, of Delta, was present and delivered an address, the theme of which was "Loyalty." This programme was followed by an appetizing supper served by the ladies of the church.

Mr. and Mrs. William Lashley, of Brockville, visited at the home of W. B. Phelps last week.

Miss Audrey Kenny, of Ellisville, has been a guest of Miss Ina Elliott for some time.

A large quantity of sawlogs and heading are being hauled to R. C. Haskins' mill.

On Tuesday afternoon of last week, E. Taylor, of Athens, conducted an auction sale consisting of the farm, stock and implements of Wesley Tackaberry, on the premises, which was largely attended.

The school is closed at present owing to the illness of the teacher, Miss Davison.

Miss Loreen Phelps, of Delta, is a visitor at the home of E. A. Whitmore.

On Wednesday afternoon of last week a meeting of the Women's Institute was held, with a small attendance in consequence of a busy week in the community and farming district. The president, Mrs. Acheson, took charge and the programme carried out was interesting, opening and closing in the usual manner. Two very fine papers were sent in by ladies unable to be present. "Things that make life worth while" was contributed by Mrs. Charles Abel, while Mrs. Hilson Warren's paper was on "Home-making and Management." Mrs. Putnam gave a demonstration on re-footing hose, which was considered of most advantage. The roll call was to have been responded to by "Hat Speeches," but these were laid over for a meeting with a fuller attendance. In the absence of those who were to furnish music for the programme, a vocal number was supplied by Miss L. Whitmore. The resignation of the secretary-treasurer, Mrs. Davison, was regretfully accepted.

PLUM HOLLOW

Cheese Factory at Plum Hollow is Being Renovated and Re-Equipped.

The ladies of the Baptist Mission Circle purpose entertaining their families at their annual special endeavor meeting to be held at the church on Thursday evening.

Many in this community will be pleased to know that the Baptist church has been re-opened after having been closed during the winter months owing to the illness of the pastor, Rev. G. G. Upham.

Miss Evelyn Kilborn spent the weekend at Leander Chapman's, Hard Island.

There will be no service held in the church here on March 1. The pastor will conduct service at Toledo but the service will be as usual on March 8 here.

Miss Ethel Parish, of Athens, spent a few days last week visiting her aunt, Mrs. Isaac Chapman.

Mr. and Mrs. Joseph Thompson, of Athens, spent Sunday at Frank Tackaberry's.

Mr. and Mrs. Dan Dunham, of Toledo, and Mr. and Mrs. Rosa Kilborn and daughter, Lila, of Frankville, visited at Bert Barber's on Sunday.

Mrs. Edward Dowden is suffering from an attack of rheumatism.

Obituary

Miss Grace Rappell.

Farewell friends, yet not farewell, where I am ye, too, shall dwell I am gone before your face, A moment's time, a little space; When ye come where I have stepped Ye will wonder why ye wept.

Following years of physical decline, Miss Grace Rappell passed away shortly after midnight on March 3rd, at the General Hospital, Brockville, whither she had been taken less than a fortnight previously. Although born near Lake Elloida, she came with her parents to reside here when a very little girl, and has remained an Athenian throughout her subsequent life. A daughter of the late John A. Rappell, she was a faithful assistant in her father's Elgin street grocery for many years, but death removed the head of the home nearly twenty years ago and consequently the business passed into other hands. At the time deceased was enrolled at Whitey Ladies' College, where she made good progress in art (particularly India ink work), penmanship and rhetoric. She was fond of travel, having gone twice to Humboldt, Iowa, also to South Bend, Indiana, and to Edmonton, Alta., as well as many points throughout the Northwest. At the inception of the Epworth League Miss Rappell became a member and has represented the local organization as delegate at conventions. She identified herself with the W. C. T. U. and was the first president of the Y. branch, which had an existence here about twenty-three years ago. About eight years ago she was constituted a life member of the Women's Missionary Society by her brothers, Gordon and Kenneth. The former, a banker at Etonia, Sask., met a tragic death some three years ago while handling a loaded revolver; the latter served overseas in the Great War as aviator, and is now a barrister in Assiniboia, Sask. Her mother, Mrs. Mary Mackie Rappell, Central street, survives, also twin sisters, Mrs. Albert Brown, Leeds, and Mrs. John Hardy, Solvay, N.Y.

Funeral services were conducted on Thursday afternoon by Rev. H. E. Warren, M.A., B.D., in the Methodist Church of which deceased had been a member. The text chosen was Mark 14: 8, "She hath done what she could," from which a helpful discourse was given. The Women's Missionary Society attended in a body to pay the last tribute of respect to a sister member.
