TO OUR CUSTOMERS.

We have just put in, at great expense, a WONDERFUL MACHINE, heated by steam, week only passing through the rollers once; the result—Wool in Elastic, will not break, and will last much longer than when ironed by the old method, heated by gas, which has to pass through the rollers eight times.

P.S.—We have also added a newly invented machine to iron the edges of Collars and Cuffs.

SUMMER SCHOOL

A Hundred Teachers Will Come Here for Instruction in Manual Training—Dr. McKeough's Good Work

Chatham will have a summer school in manual training. This was the message received by secretary of the school board T. C. McNabb, from Mr. Harcourt, Minister of Education, Toronto.

At a recent meeting of the Public School Board this matter was discussed. Every year the teachers of the province gather together and hold a school of instruction in manual training for two weeks during the summer vacation. To the city who secures the school means that about 100 teachers will be brought in for a two weeks' residence and considerable benefit is derived from this source. It was decided by the local Board to offer one of the city schools for the purpose of holding the manual training school this year and a petition was sent to the Minister of Education. It was considered doubtful that Chatham would be chosen as there are so many cities who offer the same inducements, and are equally anxious as Chatham to secure the school.

Dr. Geo. T. McKeough, a valued member of the school board and a gentleman who ever has the interests of the schools and the city at heart, while in Toronto, recently, interviewed the Minister of Education on the matter and spoke of the Maple City as a most fitting place in which to hold the school. As a result the message was received this morning that the petition of the school board has been granted.

The school will be commenced early in July. A government grant not to exceed \$300, has been secured towards defraying expenses. Manual training has made rapid progress in the Maple City schools during the past few months and it is expected that this school will materially benefit and encourage locally, the perfecting of this important branch of modern school education.

SATCHEL OF THE SATELLITE

I am saving up my change to have a good time on Macdonald Day.

Chatham is going to have a good time for fair in early part of June.

You'll have to take your Ham with out eggs at the Grand to-morrow night.

Park St. Merrifield and Emma St. Edmondson would make a great team in the city council.

Willing Worker Seane says that the Old Boys' Re-union and Street Fair Seance will be a merry epoch in Maple City history.

I am just a little worried about those 12 bold and valiant Maple City-ites, who have ventured into that bad and wicked city of Toronto.

You know there may be some men who could sit for two hours at midnight near an open bar-room and not take a drink but they live in Chatham.

If W. K. Merrifield talks in the same forcible manner, he will write a book and feel at home in the society of the members of this year's city council.

The temperance people in Ridgetown are wondering how much evidence is required to secure a conviction for selling liquor during prohibited hours. In Chatham, the sight of the Satellite within two blocks of a bar-room is pretty good circumstantial evidence.

Those Ridgetown people must be real contrary in their way. Three of them, sat from 12 midnight till 1.10 a. m., in touch with the bar-room, where the proprietor was polishing glasses and no one offered to take a drink. Now if that bar-room had only been closed they would have wanted a drink right away.

Bob Hallman, chief of the Taylor Ave. Fire Department, doesn't carry any insurance on his house. "There's the reason," says his little "thoroughbred" dog about as big as a miniature, "Just watch him" continued North Chatham's joker, as he proceeded to light his pipe. Tossing the match on the floor, the dog proceeded to stamp out the flame with his paw. "I wouldn't take a farm for that dog," added Bob, while the canine was still shaking the spark off the match. "Why as a matter of fact, it has the Taylor Ave. fire department, No. 13, skinned to death."

HEALTH IN SPRING.

Nature Requires Assistance in Making New, Health-Giving Blood.

Spring is the season when your system needs tuning up. In the spring you must have new blood just as the trees must have new sap. Nature demands it. Without new blood you will feel weary, weak and languid. With new, rich, red blood you will be sprightly, happy and healthy. The one sure way to get new blood and fresh energy is to take Dr. Williams' Pink Pills. They actually make new blood. They are the greatest spring tonic in the world. Mr. J. J. Mallette, a well known grocer in Montreal, says:—"I wish to thank you for the great good your Dr. Williams' Pink Pills have done me. My system was very much run down and your pills have made a new man of me. As I am in business, coming in contact with many people, I am often able to recommend your pills, and they have already relieved a number of my friends who suffered as I did."

Many people further weaken their system in spring through taking purgative medicines. What nature needs to help her is a tonic, and Dr. Williams' Pink Pills supply this need as no other medicine can. Be sure you get the genuine with the full name "Dr. Williams' Pink Pills for Pale People" printed on the wrapper around the box. Sold by all medicine dealers, or post paid at 50 cents per box or six boxes for \$2.50 by writing the Dr. Williams Medicine Co., Brockville, Ont.

DISTRICT DOINGS.

DRESDEN

April 13.—Mr. and Mrs. Chas. Hubbard, of Wallaceburg, were in town today and yesterday. They attended the funeral of Mrs. Hubbard's father this afternoon.

Mr. and Mrs. Frank Wells were Chatham visitors on Monday.

Mr. Duff, Jr., of the Bank of Commerce, has been moved to Sarnia. Mr. Ingram, of the Sarnia branch, takes his place in the local office.

Jas. Giffin was a visitor in the Maple City on Monday.

The Diamond Rebecca Lodge held one of their pleasant at homes in the lodge rooms last night. Quite a number of young people attended. A good time was spent by all.

Mrs. Wm. Randall and son Lloyd left yesterday morning for Bay City, Mich. Mr. Randall will remain in town until the work of removing the sugar factory is completed.

MUSICAL.

A TREAT FOR CHATHAM.

W. J. Robson, business representative for Miss Muriel Foster, the celebrated English contralto, was in the city, and, in conversation, said:—"Mr. Charles A. E. Harris, of Ottawa, is responsible for the appearance of Miss Foster in Canada, she having been engaged to come to Cincinnati as contralto soloist for their great festival which is to be held in May, and also to fill some important engagements in New York and Chicago with Theodore Thomas' Orchestra."

Miss Foster is undoubtedly the greatest contralto in the world to-day. Associated with Miss Foster will be Emile Renaud, the celebrated French pianist, and Miss Kate Eadie, of London, Eng., accompanist.

They will appear at the Grand Opera House, Chatham, Monday evening, April 25th.

EATING NOT A PAINFUL DUTY

If You Use Dodd's Dyspepsia Tablets What They Did For Angus McMillan—They'll do the Same For You.

To be able to eat a square meal three times a day and enjoy each and every one of them, is one of the oldest and most reliable signs of good health. But this is the age of tired, worn-out stomachs, and for one man or woman who enjoys their meals there are a dozen who eat because they feel they must perform a painful duty.

To all such Angus McMillan, of Laggan, Glengary Co., Ontario, sends the following hopeful message:—"I am over eighty years of age. I suffered with Dyspepsia more than twenty years back, but never met with anything to cure me till I began taking Dodd's Dyspepsia Tablets. After using them for two days, all pain and restlessness left me. I am now as healthy as a young man. I am thankful for all the good Dodd's Dyspepsia Tablets have done me."

Dodd's Dyspepsia Tablets digest the food. That means that the different parts of the body are provided with the food and heat they need. It means that the body gets new vigor in all parts.

PASSING OF A PIONEER

The death occurred yesterday morning, in Strathroy, Ont., of Mrs. Jane Cross, relict of the late Dr. Cross, of this city, at the advanced age of 93 years. The late Mrs. Cross will be remembered by the older residents of the Maple City. Mrs. C. R. Atkinson, Sr., is the only surviving sister of the deceased. Mrs. Gibb Taylor, of this city, is a niece.

Dr. Cross was one of the old pioneers of Chatham and was at one time mayor.

The funeral will take place from the G. T. R. station at 4.30 to-morrow afternoon immediately after the arrival of the 4.23 train, and will proceed to the Maple Leaf Cemetery.

MAPLE CITY GUN CLUB

The April issue of Rod and Gun, the Canadian sportsman's magazine, contains splendid pictures of W. S. Richards, President of the Maple City Gun Club, and J. W. Aitken, Secretary, and also a brief descriptive account of the Maple City Gun Club from the gifted pen of the Secretary. Speaking of the veteran marksman, Thos. Nichol, the article says: "It may be said, without fear of contradiction, that Mr. T. Nichol, Hon. President, enjoys the proud distinction of being the oldest trap shooter in Canada. He is nearly eighty and rarely misses a practice and on more than one occasion has made the experts look like the change out of 30 cents."

A MYSTERIOUS DISAPPEARANCE

Kingsville, April 12.—Extreme anxiety is felt by the friends of the Rev. Cyril Anderson, recently of Kingsville, as to his welfare. Mr. Anderson resigned his parish in January, intending to take a two months' holiday before he accepted another charge. He went to New York, and from there intended taking a trip to the West Indies. Some time having elapsed from the date of his intended sailing, his family, not hearing from him, became very much alarmed. From inquiries it was learned that he had never sailed, and the gravest fears are entertained that he is not alive. The matter has been placed in the hands of a detective.

PLEASANT SOCIAL

A very pleasant social was held in St. Joseph's Hall last evening under the direction of the St. Joseph's Church choir. The object of the social was to raise sufficient funds to make some improvements to the organ and choir gallery of the church. A neat little sum was realized from the social and everyone present spent a most enjoyable time. There were about 80 people in attendance in spite of the disagreeable weather. Pedro was the sole attraction. The prizes were won by Miss Harper and Miss Gertrude Prudhomme and Messrs. Will Chrysler and Thibodeau.
