

The Port Williams Acadian

PORT WILLIAMS AND VICINITY

Mr. F. E. Daniels, of the Royal Bank staff, spent the week end at his home in Lawrencetown.

In the last issue of the Port Williams Acadian there was an item stating that Mr. Charlie Collins broke his arm. Through these columns the correspondent wishes to offer an apology to Mr. Collins for the mistake, as it was told as a fact, and the error was realized too late to be corrected.

The Sunday evening service given by a few of the Acadia students, assisted by their president, Dr. Patterson, was greatly enjoyed by those who braved the storm. Those not being able to attend missed a rare treat. Those who took part were, Miss Minnie Poole, Miss Helen Sims, and Mr. Goudy, who rendered vocal solos. Dr. Patterson gave a very interesting address on "Why come to Acadia as President". This service was under the auspices of the "Loyal Workers" Sunday School class, and an offering was taken for the Acadia fund.

GREENWICH

The news of the "passing on" of Wolfville's eldest doctor, Dr. G. E. DeWitt, was learned here with deep regret. A long most useful life ended and a most careful and skilful doctor gone. Those who knew him best testify to his most gentle, kind and thoughtful way with patients. He will be much missed near and far. The bereaved family have the sincere sympathy of a host of people.

Misses Jennie and Mary Johnson, of Wolfville, are now spending a time at their old home here during the absence of their brother and his wife, Mr. and Mrs. Herbert Johnson, who left for Toronto last Tuesday. Our former residents are welcome in the place.

Little Miss Thelma Lockwood, one of our little school girls, has been successful in winning one of the beautiful talking and walking dolls given by "The ACADIAN" for five new subscribers. It's a beauty, and we congratulate the little girl upon her success.

Mrs. T. Andrew Pearson went to Bear River Saturday morning and spent the week end at the home of her daughter, Mrs. Brenton L. Merry, returning home on Monday.

Little Doris Cleveland, who has been seriously ill for some time, is now much better we are glad to learn.

Owing to some act or freak of electricity a number of our homes were without lights Sunday night, but were put in order again on Monday.

Mrs. Dexter Forsythe entertained a number of the ladies at tea and for the evening on Monday, in honour of Mrs. Charles Merry, who with her husband will leave soon for their home in Montreal.

"HALF-A-DOLLAR-BILL" IS NEW METRO-GRAF SPECIAL

"Half-a-Dollar-Bill" Max Graf's new production for Metro release, is announced to be shown next week at the Orpheum theatre, is said to be the finest sea story ever screened. It not only has a cast of such prominent players as Anne Q. Nilsson, William T. Carleton, Raymond Hatton, Mitchell Lewis, George MacQuarrie, and Alec B. Francis, but it introduces a new juvenile actor in four-year-old Frankie Darro, who gives an exceptional performance as the young boy who is nicknamed "Half-a-Dollar-Bill", because as a baby he is found abandoned with a torn dollar bill pinned to him.

The atmosphere of the sea pervades the whole picture, some of the general views of the good ship "Grampus" seeming almost to shed salt.

Curtis Benton wrote the story and W. J. Cohen was photographer and Alfred A. Cohen wrote the titles. Max Graf personally supervised the production.

To be shown this Friday and Saturday.

CANADA'S PRODUCTION OF WOOL GROWING RAPIDLY

Canada has made rapid strides in recent years in wool production, largely as the result of government grading, both the federal and provincial governments being active in the promotion of the industry. Last year 15,539,416 lbs. of wool was produced in Canada, much of which reached the highest grade. As the result of grazing, Canadian wools are now purchased freely on a graded basis in the United States and Great Britain as well as in Canada.

"My Wife Handles the Money"

The wife deposits

In a joint account

For the children, too

—so a business man writes us. "She can do it better than I. Each pay day she always deposits our savings first. We never buy anything unless we have the cash to pay for it and each year our savings are growing." A Joint Account in the name of husband and wife allows the wife to deposit or withdraw money during her husband's absence or when he cannot get to the bank during business hours. A Savings Account for the children will teach them the value of keeping their money, thus helping them to form the habit of saving.
