costs and trouble. If this means YOU, it is your Last Chance.

GRAND FALLS HONORS DEAD HERO

Richard E. Estey Gave His Life for
His Country

A memorial service for Pte. Richard E. Estey was held in the First Presbyterian church here Sunday morning, at 11 o'clock. Service was conducted by Rev. W. K. Read, pastor of the church. The choir sang Rock of Ages and A few more Years shall Roll. A male quartette sang the beautiful hymn We shall meet on that Beautiful Shore. The church was filled with friends who came to do honor to the noble dead. We are all proud of our hero boy, the third one of our town boys to give his life for King and country.

Word was received here last week that Pte. G. A. Hallett is in a hospital in Wunereaux, France, suffering from a scalp wound received in the fierce battle on April 9 at Vimy Ridge. His friends here hope for a speedy recovery. Pte. Hallett enlisted with the 162nd Batt. in Ontario but was transferred to the 75th Canadian Batt.

Gordon White, son of R. J. White, was accidentally shot Sunday afternoon by his chum, Joe Carroll. The shot went through his leg below the knee coming out at his heel. The family are having rather hard luck as the father has undergone two operations for intestinal trouble inside of four weeks.

Miss Mary Moran died at her home on Sunday evening after quite a long illness. She was about 18 years of age and leaves a father and mother besides a number of brothers and sisters.

The old Curless residence on Front street is being fitted up for a hospital. Mrs. John Leck of St. John is in town and will be matron of the hospital.

Michael Curran is home from St. Basil where he has been in the hospital with fever. He is not feeling very well yet.

Mrs. E. G. Leslie and daughter Miss Pearl Leslie returned Wednesday from a visit with friends in Fort Fairfield.

James Mockler, who has been in Caribou the past three months is visiting his daughter, Mrs. H. H. Price.

George H. Read, who has been in town on business the past week, left for Moncton Monday.

Wallie Evans of Brownville Junction spent Sunday at his home here.

Miss Adeline Clark of Lime-stone was a week-end guest at the Minto.

Dick Smith is moving his family into one of the Martin houses. Thomas Bradley is quite ill with typhoid fever.

Miss Ernestine Bradley went to Fort Fairfield Saturday.

George Lockhart of St. John was in town over Sunday.

W. C. Hubley of Halifax spent Sunday at the Curless House.

G. L. WHITE, M.L.A. DIED LAST WEEK

The county was grieved to hear of the death of G. L. White, M.L.A., on Wednesday of last week. Although it was known that he was seriously ill the news came as a shock nevertheless.

The late Mr. White was 59 years of age, and a son of the late Hon. G. W. White, who for sometime represented Carleton county in the Provincial Legislature, and was later a member of the Legislative Council. Since the death of his father, the late Mr. White directed the business interests in Centreville. In 1912, at the general elections, he was elected to the Legislature, and at the recent elections was re-elected. He is survived by four sons and two daughters. The sons are Lee, who enlisted with the 58th Howitzer Battery, and is at present in training camp in England; Harold, who is connected with the Bank of Nova Scotia in Centreville; J. R. D. White, general merchant at Aroostook Junction, and son-in-law of Hon. B. Frank Smith of Fredericton, and Leverett, jr., who resides at home. The two daughters are Miss Marion White, who is a nurse in the St. John General Hospital, and Miss Mildred White, who is at home.

JURY DISAGREE IN SHANNON CASE

The case of the King vs. Robert Shannon and Jonathan Shannon was concluded after a trial occupying two days, the jury being unable to agree upon a verdict. After being out for two hours the jury reported that they were divided six to six and they were discharged by Judge Barry, the prisoners being bound over to appear to the next circuit court.

The prisoners were charged with the theft of two hind quarters of beef from Joseph Steinberg of Florenceville. They are large property owners living at Greenfield and have two or three farms comprising 600 or 700 acres. They own a large quantity of stock and personal property. Steinberg had killed a cow and dressed it on March 21. In the morning of March 22 he went to the slaughter house and found the two hind quarters gone. He got some assistance and trailed a horse and pung by tracks and spots of blood, he said, to Shannon's yard. The Shannon's were not home but a pung was standing in the yard and in it Steinberg claimed to have found a piece of beef suet. He thereupon got into communication with ex-Deputy Sheriff Armstrong, who advised him to get out a search warrant.

FATHER AND DAUGHTER DIE AT HOME

While News Comes of Brothers' Death on the Battlefield

After five years of sickness George Nicholson of Connell died at noon on Sunday, April 22, aged 39 years. There lives to mourn, a wife and three children, four brothers, two sisters, and aged parents residing in California.

Only a few months ago his daughter Nellie, aged five years, passed away, and but a few days ago the message came to the home that his brother, Lee, who was fighting for the liberty of the nations some where in France fell in death.

Funeral services were conducted by the pastor of the Florenceville Baptist church, Rev. E. C. Jenkins. It was a double funeral service for George and Lee. Rev. Jenkins, in well chosen words of sympathy and comfort, met the mourners' needs and wishes of the community.

The body was laid to rest in the family lot at Connell, April 24.

Kilburn Loses an Honored Son

On Saturday morning, April 28, John W. Grant of Kilburn, received the following telegram announcing the death of his son:

"Deeply regret to inform you Lance-Corp. Robert Henry Leigh Grant, Infantry, officially reported killed in action April 10, 1917."

Lance-Corp. Grant, who is the only son of Mr. and Mrs. John W. Grant of Kilburn, went west in August 1915 and enlisted at North Battleford, Sask., on Feb. 7, 1916, in the 188th Batt. For some months he was in training at North Battleford and Camp Hughes and went over to England in the fall of 1916. From the 188th Batt. he was drafted to the 46th Batt. in France. He had been on active service about six months, cheerfully enduring the hardships, bravely doing his bit, and was one of the many loyal Canadian lads who gave their lives in the battle of Vimy Ridge.

For his father, mother and sisters, who are highly esteemed in their community, the greatest sympathy is expressed.

This was done and with Armstrong, Steinberg went out and searched the Shannon premises, finding two quarters of beef.

The prisoners throughout disclaimed any knowledge of the affair. Both prisoners took the stand. There was considerable contradictory testimony, Steinberg claiming that the Shannon's had expressed a desire to settle and Shannons claiming that Steinberg was anxious for them to pay him something to prevent prosecution. Counsel for the crown argued strongly that the presence of the beef in the possession of the defendants was conclusive of guilt unless it was explained, and the defendants, counsel, set up the absurdity of the prisoners stealing \$20 worth of beef and argued that it had been left there either as a plant to force a payment of money from the Shannons or by some person who left it there prior to removing it to his own house. R. L. Simms acted for the crown, J. C. Hartley, K. C., for the informant, and Hon. W. P. Jones for the prisoners.
