CHEAP READING FOR 1882. Railway Meeting at Baie Verte.

A large and enthusiastic meeting of those interested in the constru tion of the Chignecto Marine and Cape Tormentine Railways was held Sackville, reported themselves as port of the poor of the different unable to attend but in full sympathy parishes: with the object of the meeting.

THE FIRST RESOLUTION was moved by D. W. Douglas, o Amherst, and read as follows :-"Whereas, the Maritime Provinces er standing that a canal connecting the heat waters of the Bay of Fundy with those of the Gulf of St. Lawrence would be con Whereas, such a canal would stimu

late the industries and shipping more im-mediately of the districts bordering on the Bay, Gulf and P. E. Island, and would be eneficially conducive to the commercianterests of the Dominien; and "Whereas, a Ship Railway. so called to be built according to plans and specifications laid down by H. G. C. Ketchum, Esq., C. E., and already presented to the Dominion Government, would fulfil all the requirements of said canal;

"Therefore Resolved, that the Dominion Governments of said canal;

ion Government be asked to grant to said H. G. C. Ketchum, Esq , C. E., on behalf of the company he represents, such aid a will secure the immediate construction o Cape Tormentine and Marine Railways." In a very earnest and practical speech, Mr. Douglas showed the feasibility and importance of these projects, and argued if a canal costng four times the amount now re Treasurer of the Bay of Fundy quired was not considered too cost-Quarrying Co., visited Wood Point ly an undertaking, no good reason experiences of the Bluenoses in very readable articles in the Brooklyn Spectulor, of which he is associate our first object was to get the Cape Tormentine Railway, and with two such able men in the Cabinet as Sir -Lively work may now be ex-pected at Chatham, since Mr. J. L. Tilley, with prosperous times and

the World. Mr. Stewart and his w.D. Main, Esq., of Amherst, who ival, Mr. D. G. Smith, of the Advance, are both graduates of the a sefficient proof of his sympathy St. John Telegraph, and are both with the movement and his readi able to tell a story and tell it well. Joss to help in any way possible. THE SECOND RESOLUTION

was move i by Senator Dickey, Esq., and read thus .-"Whereas, the C. T. Railway must be

"Whereas, it is necessary to the development of the agricultural, commercial and manufacturing interests of the country through which it passes; "Therefore, Resolved, that the Do-

Mr. Dickey, after assuring us of A. Robb the deep interest taken in this Alexander McKay, scheme by the people of Amherst, reminded us that though not a policy of the control of the who a few years ago left here a litical question we had to work Lewis Ti young lad to seek his fortunes in through politicians, and arged that A. Jones. the States, has, unassisted and enpowers that be through the ballot Silas Cole, S. W. Palmer,

residence is in London. Many who get rid of us. Some called it a wild- Jos. Hickman, merit of a high order. We cordially nor,s help could be secured to get up matters so pressing that Sir Charles would say to his colleagues in the Cabinet, " I cannot face my friends Within a few years a large trade down there unless I give them this in leather has sprung up between road." Sir Charles has been instru-Canada and the United Statee on mental in putting many laws upon the Statute Book, and before he closed his career-and according to

tine Railway.

Mr. Robb seconded the resolution ten years, while her imports have in a few pertinent remarks, dwelling the extensive Hemlock Forest growth cure and hoped our representatives

which affords a tenning agent at one Capt. Brundage added a few words fourth the cost it can be obtained in cautioning us against asking too much, and advising us to press for the Cape Tormentine Railway at of the combination of the tannin Light a failure, and shewed if pashe obtained as with oak and hemleck, hence the value of the leather, hist, a strong prejudice existed in Europe against American leather, but this has been fully overcome.

THE THIRD RESOLUTION. more permanent footing than any other country.

Mr. Allison.—The Board of Governors meets next week. If the Governors meets next week. If the footing that any other country.
