THE GREAT SOUTH AMERICAN

Stomach Liver Cure The Most Astonishing Medical Discovery of the Last One Hundred Years. It is Pleasant to the Taste as the Sweetest Nectar. It is Safe and Harmless as the Purest Milk.

This wonderful Nervine Tonic has only recently been introduced into this country by the proprietors and manufacturers of the Great South American Nervine Tonic, and yet its great value as a curative agent has long been known by a few of the most learned physicians, who have not brought its merits and value to the knowledge of the

This medicine has completely solved the problem of the cure of indigestion, dyspepsia, and diseases of the general nervous system. It is also of the greatest value in the cure of all forms of failing health from whatever cause. It performs this by the great nervine tonic qualities which it possesses, and by its great curative powers upon the digestive organs, the stomach, the liver and the bowels. No remedy compares with this wonderfully valuable Nervine Tonic as a builder and strengthener of the life forces of the human body, and as a great renewer of a broken-down constitution. It is also of more real permanent value in haid, soft or calloused Lumps and skulked off through the fields to the the treatment and cure of diseases of the lungs than any consumption Blemishes from horses, Blood Spavin, woods. A SWORN CURE FOR ST. VITAS' DANCE OR CHOKEA. Crawfordsville, Ind., June 22, 1887.

My daughter, eleven years old, was severely afflicted with St. Vitus' Dance r Chorea. We gave her three and one-half bottles of South American Nervine and she is completely restored. I believe it will cure every case of St. Vitus' Dance. I have kept it in my family for two years, and am sure it is the greatest remedy in the world for Indigestion and Dyspepsia, and for all forms of Nervous Disorders and Failing Health, from whatever cause. JOHN T. MISH-State of Indiana, Montgomery County, \}ss:

The Great South American Nervine Tonic Which we now offer you, is the only absolutely unfailing remedy ever discovered for the cure of Indigestion, Dyspepsia, and the vast train of symptoms and horrors which are the result of disease and debility of be the human stomach. No person can afford to pass by this jewel of incalculable value who is affected by disease of the stomach, because the experience and testimony of many go to prove that this is the one and only one great cure in the world for this universal destroyer. There is no case of unmalignant disease of the stomach which can resist the wonderful curative powers of the South American Nervine Tonic.

wonderful curative powers of the South American Nervine Tonic.

HARRET E. HALL. of Waynetown, Ind., says:

"I owe my life to the Great South American Nervine. I had been in bed for five months from Nervine. I had been in bed for five months from Nervine. I had been in bed for five months from Nervine. I had been in bed for five months from Nervine I only a system was completely shattered condition of my whole system. Had given up all hopes of getting well. Had tried three doctors, with no relief. The first bottle of the Nervine Tonic improved meso much that I was able to walk about, and a few bottles cured me entirely. I believe it is the best medicine in the world. I can not recommend it too highly."

No remedy compares with South American Nervine as a wondrous cure for the Nerves. No remedy compares with South American Nervine as a cure for all forms of failing health. It never fails to cure Chorea or St. Vitus' Dance. Its powers to build up the whole system are wonderful in the extreme. It cures the old, the young, and the mid le aged. It is a great friend to the aged and infirm. Do not neglect to use this preclous boon if you do, you may neglect the only remedy which will restore you to health. South American Nervine is perfectly safe, and very pleasant to the taste. Delicate ladies, do not fail to use this great cure, because it will put the bloom of freshness and beauty upon your lips and in your cheeks
