

"You Will Suffer all Your Life."

SAID ALL THE DOCTORS

Half a dozen of the best physicians told Mr. Baker that he had Chronic Rheumatism, and would have it as long as he lived. One day Mr. Baker read in a paper of a man who had Rheumatism just like him—who had been told by doctors that his case was hopeless—and who had been completely cured by GIN PILLS.

The two cases were so much alike that Mr. Baker decided he would invest in a box of GIN PILLS and give them a trial.

It was the best investment he ever made. Before the first box was taken, he felt better all over, so he got another. He took that and bought a third, getting better all the time.

I have been greatly benefited by your Gin Pills, and all who have used them in this neighborhood speak very highly of them. One of my neighbors, Mr. Z., who suffered for years with Rheumatism and who has spent hundreds of dollars with specialists without receiving the slightest benefit, was entirely cured by two boxes of Gin Pills. He is proclaiming their virtues from the "house-tops."

Yours truly,
D. L. BAKER.

We don't even ask you to buy Gin Pills—but to try them at our expense. Write us, mentioning this paper, and we will gladly send you a free sample of these wonderful Kidney Pills that cure Rheumatism. The Sole Drug Co., Winnipeg, Man.

Sold by all dealers—50c. a box, or 6 boxes for \$2.50—or sent on receipt of price.

Assistant teachers shall receive half the above sum.

By section four of the bill the teacher of a superior school holding a license of the superior or grammar school class shall receive a sum not exceeding \$250 per annum, as at present, during the first seven years, and after seven years the sum of \$275, provided the trustees of the district shall pay an equal amount.

Every teacher of a grammar school holding a grammar school license and doing grammar school work, shall receive \$350 per annum as at present, provided, however, that not more than four teachers in any one grammar school shall receive the grammar school grant.

The principal of a grammar school, who has supervision of the department of other teachers in the same school building or in the same district, shall receive an additional sum of \$50 per annum.

This act shall not go into force until after the additional subsidy of \$130,000 a year has been received. He will add about \$25,000 to the school grants, or an average of about \$13 a year for each teacher employed.

When the Fredericton Sewerage bill came up for third reading, Mr. Hazen moved to postpone it for six months. Hon. Mr. Robinson, seconded by Mr. Murray, moved in amendment to the amendment, that Fredericton be allowed for at least three years to discharge sewerage into the river, the government meanwhile to test the effect upon the river water and to notice authority upon one year's notice to prohibit such discharge if found necessary to do so. This passed by a vote of 27 to 16.

TEN MILLIONS STARVING.

Shanghai, April 12.—Ten million people are reported starving in China. The Chinese government has contributed \$4,000,000, and \$500,000 has been received from foreign sources. A dollar, the relief committee reports, will save one life until the harvest, June 25, and \$10,000,000 are needed. The whole amount cannot be raised in China. The situation is desperate and Americans are urged to give \$3,000,000 in the next few weeks, not for Christian, but for humanitarian work. It is suggested that it would be best to cable money to the American consul here, James Linn Rodgers, as supplies can be purchased in Shanghai.

\$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

MESS. C. GATES SON & CO.
GENTLEMEN:—

Ten years ago I was suffering with distressing headaches caused by biliousness. I used doctors' medicines and other remedies with little benefit. I was induced to take a half dozen bottles of your

LIFE OF MAN BITTERS and syrup in connection, which effected a cure of it so that I have very little or no trouble in that way since, occasionally taking a little of it to regulate the liver. In fact we have kept and used all of your medicines in our family since that time and can conscientiously recommend their use to the sick. I have known of their having cured other cases at Shurley where I formerly lived.

Yours very truly,
