A CHILD'S SUFFERING.

Mr. Wm. McKay, Clifford, N. S., Tells of His Daughter's Cure.

She Was First Attacked With Acute Rheumatism, Followed by St. Vitus' Dance in a Severe Form—Her Parents Thought She Could Not Recover

(From the Enterprise, Bridgewater, N.S.)

Wm. McKay, Esq., a well-known and much respected farmer and mill man at Clifford, Lunenburg Co., N. S., relates the following wonderful cure effected in his family by the use of Dr. Williams' Pink Pills: "About three years ago my little daughter, Ella, then a child of ten years, was attacked with acute rheumatism. It was a terribly bad case; for over a month she was confined to her bed, and during most of the time was utterly helpless, being unable to turn in bed, or, in fact, to move at all without help. She could not even hold anything in her hand. All power or use of her limbs had entirely gone, and the pain she suffered was fearful. By constant attention after a month or so she began to gain a little strength, and after a while improved enough to be taken out of bed and even walked around a bit after a fashion by means of a support. But now she was seized with a worse ailment than the rheumatism. Her nervous system gave way, appeared completely shattered. She shook violently all the time, would tumble down in trying to walk. In attempting to drink from a cup her hand shook so as to spill the contents all over herself. She was a pitiable object. The doctors were called to her again and said she had St. Vitus' dance in the worst form. She took the medicine prescribed and followed the instructions of her physician for some time, but without apparent benefit. She wasted away almost to a skeleton and we gave her up for lost. About this time I read in a paper an account of a great cure of nervousness effected by Dr. Williams' Pink Pills, and resolved to try them. I bought six boxes and the little girl began using them. The good effects of the first box were quite apparent, and when four boxes were used she seemed so much improved that the pills were discontinued. She kept on improving and after a few weeks were as well as ever. We were told that the cure would not last, that it was only some powerful ingredient in the pills which was deceiving us, and that after a time the child would be worse than ever. All this has proved false, for now nearly three years she has had unbroken good health, nerves as strong as they are made, and stands school work and household work as well as a mature person. We have no doubt about Dr. Williams' Pink Pills restoring to us our little girl, whom we looked upon as doomed to an early grave."

Dr. Williams' Pink Pills are a specific for diseases rising from an impoverished condition of the blood or shattered nerves such as St. Vitus' dance, locomotor ataxia, rheumatism, paralysis, sciatic, the after effects of la grippe, headache, dizziness, erysipelas, scrofula, etc. They are also a specific for the troubles peculiar to the female system, building anew the blood and restoring the glow of health to pale and sallow cheeks. Protect yourself against imitations by insisting that every box bears the full name Dr. Williams' Pink Pills for Pale People. If your dealer does not have them they will be sent post paid at 50 cents a box or six boxes for $2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

FOURTH ENCAMPMENT.

Hamilton Boys to Join Toronto Boys' Brigade at Port Dalhousie.

The invitation of the Toronto Battalion to join them in Camp at Port Dalhousie has been accepted by the Hamilton Battalion Boys' Brigade, and the boys will start on the 18th July and return on the 28th. The battalion will leave Hamilton at 10.45 and proceed by boat to Toronto, there joining the Toronto battalion. An advance party will leave the day before to pitch tents and make all arrangements. Over 30 boys are expected in camp, and the people of the town have promised to do all in their power to make the camp a success. Already prizes for competition have been offered, and a Civic Holiday will be proclaimed by Port Dalhousie on Field Day. A free trip to St. Catharines on the boat will also be arranged for, and all who enjoy boating, bathing and fishing will have an excellent opportunity to indulge.

A medical officer will be in attendance during the whole camp, having a tent fitted up for an hospital, to be ready in case of need. The Commissary Department will be in charge of a first-class cook.

It will only cost each boy $2 to attend the camp, all expenses being paid out of that sum.

WHEN PIANOS WERE SCARCE.

A Reminiscence of Hamilton 50 Years Ago.

Richard Hoffman says of his concert tour through the United States in 1849:

"We often had difficulty in the smaller cities in procuring a piano, and I remember that in the town of Hamilton, Canada, we were in despair of finding one, when some public-spirited citizen offered to lend his 'square' for the occasion, but with special injunctions to return it the same night. The concert was given in the dining-room of the hotel, and when it was over it devolved upon Burke and myself to see the piano got safely back to its owner. The absence of any 'help' at that hour made it necessary for us to do the moving ourselves, and, the dining-room was, fortunately, on the ground-floor, we proceeded to put on its castors into the street to push it in front of us to the owner's house, a distance of three streets from the hotel, we finally left it in safety."

...an Pauncefote, in an interview yesterday, said that it was his ...to retire next April from ...ssadorship at Washington.

...ilbert, painter, fell from the ...he Canadian Hotel, Paris, ...is unconscious from injuries ...d and neck.

...g son of Mr. Geo. Eberle, ...found, died yesterday of ...ngitis, the first symp... which appeared on Tuesday

THE CHRISTIAN CONVENTION.

A Big Baptism to be Held on Tuesday Next.

The Christian and Missionary Alliance is holding its convention at the Christian Workers' Church on MacNab street north. The meeting last evening was largely attended. Pastor Zimmerman, of Peterboro, spoke on "Christ for the Body" The meetings to-day were conducted by Pastors Philpott and Fisher.

Singing Evangelist Kenny, of Toronto, conducted the musical part of the services.

Conventions have been held in London, Guelph, Wingham, Bayfield and Toronto, where the society has been strongly established. A union of the church workers will be held next Tuesday at Grimsby Park, when thirty of its members will be baptized in the lake. The service will be conducted by Pastors Philpott and Fisher.

ELECTRICIANS AT DINNER.

Their Annual Banquet at the New Royal.

AN ENJOYABLE AFFAIR.

Over a hundred guests were present at the ninth annual banquet of the Canadian Electrical Association, held in the New Royal last night. It was the first occasion on which the new dining hall of the hotel had been in use for a public event since it has been finally completed, and it proved an ideal place for such an affair. The table decorations and the excellence of the menu were in keeping with the elegance of the more material surroundings of the dinner. Nelligan's orchestra rendered a delightful programme during the courses. President W. H. Brown, of Montreal, was in the chair, and with him at the head of the board were Mayor Teetzel, Hon. J. M. Gibson, A. A. Dion (Ottawa), Col. Sheppard, U. S. Consul, A. F. Pirie, J. J. Wright (Toronto), F. Thomson (Montreal), and A. B. Smith (Toronto). The City Council, electrical concerns and civic departments were largely represented among the Association's guests.

The first toast on the programme was of course that to the Queen, and it was royally honored. That to "Our Association" was responded to by Mr. J. J. Wright, who held the position of President for three years. He referred to the fact that the Association had had its birth in this city, and added some complimentary references to the high position Hamilton occupies in the electrical world of this continent.

"Our Guests" was the next toast and owing to the early departure of Hon. Mr. Gibson, who had been slated to respond, that duty fell to Col. Sheppard, who made a capital speech full of appropriate thought regarding the wonders accomplished in the world by electrical invention, and concluding with one of his customary happy allusions to the existent unity of Anglo-Saxon sentiment throughout the world.

The toast of "Hamilton, the Electric City," was enthusiastically received, and no less enthusiastic was the reception accorded Mayor Teetzel when he arose to respond to the toast. He expressed thanks for the new title bestowed upon Hamilton by the electricians of Canada, and called attention to the fact that this was the first city in Ontario to adopt an electric lighting system, and at present had the credit of possessing more electric energy and produced from a greater distance than any other city in America east of the Mississippi. (Applause.) The speaker made a humorous reference to the large number of Johns implicated in placing Hamilton in its present high position in regard to electricity, notably John Patterson, John Moodie, John Gibson, John Knox and John Wright. (Applause.) "And the result of their efforts," he continued, "has been a remarkably fat Jack pot." (Laughter and applause.) All that was required now to enable this city to maintain her present proud position was the full confidence of her citizens in the possibilities of electrical energy for Hamilton's advancement.

"Our rights and wrongs" was the novel title of the next toast and coupled with it was the name of Mr. J. H. Noxon, of Ingersoll. The speaker treated the subject in a humorous way, referring to the difficulty electrical concerns had in forcing customers to pay more for electrical service than they wanted to, and concluded with an interesting dissertation on the benefits of conventions, such as the present, to the electricians of Canada.

In announcing the toast of "The Press," the Chairman referred in appropriate terms to the assistance rendered the science of electricity by the newspapers, and Mr. A. F. Pirie responded with one of his characteristic speeches.

During the evening songs were contributed by Dr. McLean, Messrs. G. Penny, W. W. Barlow and J. Jardine, Mr. B. Arthur playing the accompaniments. From the vantage ground afforded by the palm house overlooking the dining hall, many ladies were delighted spectators of the proceedings.

Medical Science Advances.

Positive Cure for Asthma Discovered.

It has long been recognized by medical scientists throughout the world that nature has supplied all creation with some remedy in the vegetable or mineral kingdom wherewith all forms of ailments can be cured, but it was not until the discovery by Stanley of the wonderful Kola Plant along the Congo River in Africa that asthma was permanently curable. In fact, it was not until the investigation made by Dr. Clarke some years later that this disease was found curable; he found that by combining the extract of Kola Nut with other vegetable extracts that the compound obtained would permanently cure asthma. Clarke's Kola Compound was then tried on over 100 cases in different hospitals with the marvellous result that over 95 per cent. were permanently cured in less than 60 days' treatment. Clarke's Kola Compound is now recognized to be the only permanent cure for this dreaded disease. Sold by all druggists. Free sample bottle sent to any person. Mention this paper. Address The Griffiths & Macpherson Co., 121 Church street, Toronto, or Vancouver, B. C., sole Canadian agents.

THE THIRTEENTH DEPARTS.

Off For the Niagara Camp This Morning.

ATTACK ON QUEENSTON HEIGHTS

To a stirring march by the brass band, about two hundred and fifty members of the Thirteenth Battalion swung out of the Drill Hall this morning shortly before seven o'clock and proceeded by T., H. & B. Railway to Niagara. The camp will last three days, and Sunday afternoon will see the return home of the gallant redcoats. Lieut.-Col. McLaren was in command, and the other staff officers present were: Majors Stoneman and Zealand, Capt. Tidswell (Adjt.), Surgeon-Major Griffin, Surgeon-Capt. Rennie and Chaplain Forneret. Before leaving the armory the commanding officer said a few words to the men. He was sure the outing would be enjoyed by all, and he wanted every man to so conduct himself that when the regiment returns from camp it will still bear the fair name it now holds, and will not be sullied by the act of any member.

It was 7.20 when the train of eleven coaches left, amidst the cheers of the soldier boys and a lot of handkerchief waving by the "girls they left behind them."

Lieut.-Col. Gwyn, of the 77th Batt., accompanied the boys.

Color-Sergt. Bruce Harvey, of D Co., will act as Sergt.-Major at camp, Sergt.-Major Huggins being on his way to Bisley.

YESTERDAY AT CAMP.

Niagara, June 30.—An attack upon Queenston Heights occupied the time of all the soldiers yesterday except the artillerymen who practiced gun firing.

The attacking force was composed of two brigades, the 15th, commanded by Col. Sam Hughes, and the 14th, by Col. John Hughes. The commandant of the attacking force was Colonel Vidal.

The defense was composed of the 16th, the 40th, the 45th, the 46th, the 42nd, the 49th and the 56th Battalions, all of whom left camp at 8.30 a. m. and marched onward to Queenston Heights.

The attack won the day. There were several soldiers hurt. Private Welch, No. 5 Co., 16th Batt., was with his comrades before the attack sounded picking cherries. In a scramble over the fence a Lee-Enfield bayonet was stuck deep into his thigh, and he was brought to the hospital. He bled profusely and had a very bad cut.

Pte. Hamilton, of No. 4 Co., 46th Batt., stepped into a rut and wrenched his ankle so that he was unable to continue the attack.

Y. M. C. A. WORK.

Mr. Thomas A. Rodger, the Secretary-elect of the Hamilton Y. M. C. A., has had charge of the association at the camp, and the volunteers are unanimous in their expression of praise for the [illegible] which the Y. M. C. A. is doing both for their temporal comfort and spiritual good. In the evenings hundreds of men flock to the tent instead of going down to the town, consequently there has been less drinking than at any other camp. At 10 o'clock they have a song service followed by limelight views on [illegible] subject.

Local Legal.

In High Court—Goggles vs. Walls.—Judgment on appeal by defendants from judgment of Robertson, J., in favor of plaintiff in action tried at Hamilton without a jury, brought under Workmen's Compensation for Injuries Act, and at common law, for damages to plaintiff by reason of alleged negligence of defendants. Appeal dismissed with costs. W. R. Smyth for appellants. Teetzel, Q. C., and Lyall (Hamilton) for plaintiff.

Murray vs. Bingham.—Judgment on appeal by defendants appealed from judgment of Ferguson, J., in favor of plaintiff, for $2,250, balance due under an agreement between the parties for the purchase by defendants of a patent of invention, covering a gas machine and dismissing counter-claim with costs. The court adopted the judge's conclusions of fact, and dismissed the appeal with costs. Wallace Nesbitt and S. D. Biggar (Hamilton) for the appellants. W. R. Raymond and L. C. Raymond (Welland) for plaintiff.

PUPILS' CLOSING EXERCISES.

Two Enjoyable Programmes Rendered Last Evening.

A very large audience gathered in Central Church school room last night to hear the annual concert of the Hamilton Music School. The programme included a piano duet by Master Francis Malloch and Mr. J. E. P. Aldous; piano solos by Miss Mona Bates, Miss K. McHaffie and Miss Mabel Montague; song by Mr. E. Skedden; duet by Misses M. Murphy and Cloke; piano solos by Miss Reynolds, Miss Alton, Miss Noyes, and Miss Helen Bain, Dundas; duet by Miss E. Carey and Mr. E. Carey; piano solos by Miss Herald and Mr. C. Foster; song by Mrs. O. Filman; solos by Miss B. Evel and Miss J. Wood; duet for two pianos by Miss Greer and Mr. Alexander.

The playing of the pupils was excellent, their selections being given with skill and expression. Miss Beatrice Evel gave her solo in a style that earned an enthusiastic encore. The duet between Miss Edith and Mr. Bruce Carey was brilliantly played. Mr. Skedden and Mrs. Filman were both in excellent voice, and delighted the audience with their solos. Mrs. Filman sang Eugene Field's "Toy Soldier" for an encore, in a most captivating manner.

Prof. Aldous announced that next year his music school would be held in his own residence. Some kind (?) friend had said his school was going down, hence his giving up the extra house. That was untrue, as the past year had been the most successful financially the school had had in nine years. By building an addition to his own house he could have better accommodation, which was the reason for the change.

ANOTHER RECITAL.

The recital given by the music pupils of Miss Edith M. Spring attracted a large audience in Bell's piano warerooms last evening. The programme consisted of a string selection; "Largo," (Handel), violins, John Mathieson, Earl Lees, John Ramsay, Willie Johnson; viola, Miss Edna Woodman; cello, Harold Cummer; piano, Miss Mabel Henderson; piano solo, Miss Henderson; violin solo, Master Willie Johnson; piano duet, Misses Florence Moore and Lillie McFarlane; piano solo, Miss Florence Moore; violin solo, Master John Mathieson; piano solo, Miss Lillie McFarlane; piano duet, Misses Mabel Henderson and Florence Moore; violin solo, Miss E. M. Spring; piano solo, Miss Mabel Henderson; strings, "Forget me not," Macbeth.

St. Peter's Has Good Friends.

St. Peter's Home for Incurables thanks the public for the following donations for the month of June, '99: Mrs. McGiverin, shoulder of bacon; Mrs. J. Tinsley, $1; Mr. McGuire, 25 pounds of flour; Mrs. Barnard, pair shoes, trousers, etc.; Mrs. Freeman, $1; Mr. W. Brown, magazines and papers; Rev. A. E. Miller, papers and hat; J. G. Horning & Co., groceries, $1; Parke & Parke, to medicine, $2; W. G. Ryckman & Co., groceries, 50c; Jas. Dunlop, to goods, $2; Thomas C. Watkins, to goods, $2; M. S. Bradt & Co., groceries, $1; Hazell & Sons, groceries $1; Henry Taylor, bread, fish, etc.

Abscess Under the Arm.

Another permanent cure to the credit of B.B.B.

"In the beginning of the year 1897 I had a very severe attack of rheumatism. Sometimes I could not walk and had to be drawn in a chair.

"When I got better of that a large abscess formed under my arm and caused me a great deal of suffering as well as made me very weak. I had also sores in various parts of my body.

"Being advised to try Burdock Blood Bitters, I thought I would do so, and after taking it the abscess and sores all went away and have never come back on me since. I think B.B.B. a wonderful blood purifier and healer and write this that other sufferers may know of its great worth." Mrs. Philip S. Rice, Villa Nova, Ont.

FOR MONDAY BUYERS.

We must crowd two days' business into one.

Linenette Lining, 7½c.
Best 10c Linenette Skirt Lining, just the right weight for present use, 7½c.
