SPECIAL MEETING TOWN COUNCIL

Large Delegation Representing Different Churches
Wrote on Town Fathers and Ask For Better
Enforcement of the Scott Act.

OTHER BUSINESS ATTENDED TO.

Town Council met in special session last night, the full board—Mayor Miller and Aldermen Belyea, Doyle, McMurro, Morrison, Ritchie, Thos. A. Russell, Chas. Sargeant and S. A. Russell present.

A large delegation representing the Anglican, Baptist, Methodist and Presbyterian churches, the W. C. T. U. and Sons of Temperance, and private citizens waited upon the Council re the enforcement of the Canada Temperance Act.

Rev. S. J. McArthur presented, on behalf of some two hundred signers, a petition, praying for (1) A more effective enforcement of the C. T. A., and (2) that the Council consider the advisability of placing the administration of the C. T. A. in the hands of a commission.

Among the members of the delegation were:

Messrs. S. McLeod, C. C. Hayward, Burton S. Myers, Edward O'Donnell, W. J. Deane, H. S. Leary, E. A. McCully, Addington Vye, Jerome R. Vye, Arthur Russell, T. V. Tozer, Frank Perry, A. C. Allan, Isaac Light, Frank Perry, Peter Aharon, A. T. Swiftner, A. H. MacKay, H. T. Cousins, John McLaughlin, T. A. Clarke and other ladies, Messrs. T. A. Clarke, H. H. Stuart, Andrew Miller, Edward O'Donnell, J. Robert, I. Light, S. MacLeod, Frank Perry, W. C. Day, James Troy and Rev. S. J. McArthur, V. J. Deane, W. Nicoll and Dr. Cousins.

Rev. S. J. McArthur said the body were not satisfied with administration of the C. T. A. in Newcastle. If majority of citizens were opposed to its enforcement, a temperance law should be sought to suit them. He asked Council to appoint a commission of independent citizens to relieve Council of responsibility. It had been the duty of him by several papers this in the past there had been all-out war against William Caldwell. He agreed with Rev. Father that in no speciality should be shown. He believed that too much paper was being used. Newcastle would be better off if it were sold. Property would be up in value.

Rev. D. J. Burns, secretary of the Act, said that the case of T. A. Belyea, a Presbyterian, the same person, O. J. Deane, having Act view of a financial standpoint. The Council might be able to remove Belyea's name from the list. Newcastle was very much dragged in the mire of delinquency.

Had a young man drink in front of his house. Was not gone on idea of commission. Council should shoulder the responsibility. Temperance people were very much in earnest. They wanted to take steps to protect society and put an end to the immoral and degrading liquor business of this town.

Rev. W. J. Deane demanded a far better enforcement of the C. T. Act than had been given in the past. The sale of liquor should be reduced to an absolute minimum.

Rev. W. J. Deane was not in favor of license, Scott Act was better. But, it was very largely

Why does Canada buy its coal from us?

Certainly it does not buy it because it is a better quality than we produce. It is not because it is cheaper. It is not because it is more plentiful. It is because it is better.

The reason is simple; while the English and Scotch have for centuries eaten oatmeal in quantities and with a regularity that has made them the most robust physically, and active mentally of all people, the American has been eating oatmeal and trying all the time to improve the methods of manufacture so that he might get that desirable foreign trade.

How well he has succeeded would be seen at a glance at the expert reports on Oatmeal Oats. This brand is recognized as without a rival in cleanliness and delicious flavor.

true that liquor was being sold freely in this town. He favored a commission.

Mrs. McLeod, representing the W. C. T. U. pleaded with the Council to banish temptation to drink from the boys growing up.

H. H. Stuart, worthy patriarch of Newcastle Sons of Temperance, opposed the relegation of the enforcement of the C. T. A. to a commission. Who was to appoint the commission? And would not some pressure be brought against the appointees of the commissioners as is now appointed to the Council itself? It was the duty of every elected body—city, county, provincial and national—to carry out the law itself. The illegal sale of liquor should be stopped.

Mrs. Cousins demanded that Council enforce the law. They had power, and should do so.

Mrs. Clarke, a school trustee, spoke along the same line as Mrs. MacLeod.

James Troy supported demand for better enforcement. The petition indicated rising tide of indignation against liquor traffic. Council should carry out law to the letter, else they might meet some fate as has befallen the present council of Montreal. No Commissioner should accept office unless prepared to do his duty.

On motion of Mr. Belyea and Ritchie the petition was received, and the Council unanimously voted in favor of sending a representative commission to investigate the enforcement of the C. T. A. in Newcastle.

It was further resolved that the Council should be held responsible for the enforcement of the C. T. A. in Newcastle.

On motion of Mr. Belyea and Ritchie the petition was received, and the Council unanimously voted in favor of sending a representative commission to investigate the enforcement of the C. T. A. in Newcastle.

Board of Trade then withdrew. Request of Union of Canadian Municipalities for Annual administration fee of \$15 was not complied with.

Following Light and Water bills passed:

Miller's foundry 57.46

T. McAviry and Sons 25.13

\$82.59

The Board of Works report for 1909 was received and adopted.

It showed that on account of limited appropriation only absolutely necessary work was done on streets. Repairs were promptly attended to and refuse was thoroughly cleaned up.

New sidewalks were built from Hennessy's corner along Mitchell street and through Davidson's lane to Pleasant St., from Lingley's corner to S. Miller's store, from Morrissey's corner to Miller's corner, from Mayor Miller's residence to Isaac Leighton's, from Miller Bros. store to Moody's corner. Sidewalks were built on both sides of Street's Hill.

Sewers were properly cleaned and flushed.

Charles Sargeant, Chairman.

More in every respect. A first class manager has been secured and a popular night clerk will shortly be engaged, who will meet all requirements. The new hotel will help to fill the need for better hotel accommodation in Campbellton and we wish it all success.

FIREMEN'S LUNCHEON A GRAND SUCCESS

Very Successful Dance was Held in Town Hall
Last Night—Fine Music by McEachern's
Orchestra.

HALL BEAUTIFULLY DECORATED

The Newcastle firemen held their annual dance last night in the Town Hall. Like everything else the firemen take in hand it proved to be a success in every sense of the word. The hall was beautifully decorated for the occasion, requiring a great amount of work on the part of the boys.

Dancing commenced at 9 o'clock and kept up all night long when luncheon was served. After the dinner the men had been satisfied dancing was continued until 1 o'clock this morning.

Prof. M. E. Chenev, Chatham, with his talented family furnished the music to the satisfaction of all present.

The committee in charge of last night's affair deserve great praise for the creditable manner it was conducted.
