

BREAKFAST.—Epps's Cocoa.—GATEFUL AND COMFORTING.—"By thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills."—Civil Service Gazette. Made simply with Boiling Water or Milk. Each packet is labelled—"JAMES EPPS & Co., Homoeopathic Chemist, London."

Office of Theodore Metcalf & Co., Tremont St., Boston, Oct. 7, 1871. Mr. JAMES L. ENLAW.—Sir: We are happy to say that the sale of your Syrup has been very large for the past two years. It is prescribed by some of our first physicians. We remain, yours very truly, THEODORE METCALF & Co.

Have you a Cough, Cold, Pain in the Chest or Bronchitis? In fact, have you the premonitory symptoms of the "infective archer," consumption? If so, know that relief is within your reach in the shape of Dr. WISLAR'S BALSAM OF WILD CHERRY, which, in many cases where hope had fled, has snatched the victim from the yawning grave.

The efficacy of Bryan's Pulmonic waters in curing coughs, colds and Bronchial affections, and cheering the afflicted has passed into a proverb. In the United States, where these marvellous waters are known, they bear down all opposition and eclipse all rivalry, the demand for them has steadily increased for the last twenty years, until now the sales average over one hundred thousand boxes a year. Eminent members of the medical profession without number admit that they know of no preparation producing such beneficial results as these waters. When taken in season they effect a permanent cure. Sold by all druggists and country dealers at 25 cents per box.

The lives of thousands of horses have been saved during the past year, and the credit is due to Darley's Compound Powders and Arabian Heave Remedy. This preparation is being extensively used, and exacts from all the highest praise. Nothing of the kind has ever before been half so successful or given such universal satisfaction. It cannot be equalled. We can confidently recommend it, and would advise all who own horses to keep a supply of it on hand—it may be the means of saving your horse's life. Remember the name, and see that the signature of Hurd & Co., is on each package. Northrop & Lyman, Newcastle, Ont., Proprietors for Canada. Sold by all Medicine Dealers.

INLANS.—If idleness does not produce vice or malevolence, it commonly produces melancholy; therefore let every man be occupied, and occupied in the highest employment of which his nature is capable—and if he is suffering from rheumatic pains, colds or summer complaints, and desists of getting immediate relief, let him try a bottle of the Canadian Pain Destroyer. It can be had at any Druggists, and most of the country merchants in the Dominion, at 25c per bottle.

IMPROVE NUTRITION.—The central idea in the treatment of all Chronic Wasting Diseases, resulting in Nervous Debility and General Debility, is to improve Digestion and Assimilation of Food, and to fortify the System. Dr. Williams' Pink Pills for Pale People, is the only medicine that accomplishes this end, by imparting tone to the stomach, liver, and pancreas, the great triad of the digestive system, and by restoring the vitality of the blood. The result is a healthy constitution, whether impaired by age, exhaustion by excess, bad habits, or run down by old complaints that have resisted all ordinary methods of treatment. Being a delicious cordial to take, and perfectly harmless under all circumstances, it is eminently adapted to prostrate, anemic women and delicate children.
