Mr. and Mrs. Wm. Porteous, of Edmonton, are in the city for a few days. Mrs. Porteous is a sister of the late Mrs. G. G. Henderson.

In the Calgary Herald today, in the items of 41 years ago, appears the following: "Francis White, manager of the Cochrane Ranch, is holidaying in Winnipeg."

The annual sale of Christ Church Ladies Guild will be held Saturday, Dec. 12, from 3 till 8 p.m. in the church basement. There will be Fancy Work Stall, Delicatessen Table, Apron Stall, Candy Stall, Steak and Kidney Pie Stall, St. Agatha Girls Stall, Junior Girls Stall and Fish Pond. Afternoon tea will be served.

The report of the General Hospital for November shows 65 patients treated during the month, 16 of which were carried over from the preceding month and 23 still under treatment at the end of the month, there being a total of 637 patient days. During the month the X-ray unit was installed and is working very satisfactorily. Miss Young, the new matron, took charge Dec. 1, and it is understood the hospital will be run under her direction.

BULL RIVER HOTEL BURNED

Cranbrook, Dec. 10.—Fire, arising from a cause so far unknown, was responsible for the loss of the Tourist hotel at Bull River, about 20 miles from this city, at an early hour this morning.

Telephone wires are still down but it is understood that the building is a total loss, with almost all of the contents, along with two or three houses nearby.

There is little fire fighting equipment there and a big fire would have to burn itself out.

The hotel was operated by Messrs. T. Howard and G. Thrasher, and though insurance was carried, the loss would be quite heavy.

The hotel would be worth in the neighborhood of \$20,000.

LIBRARY BENEFIT SHOW

To meet the liabilities of the present Fernie Library, the committee, with the generous co-operation of Mr. Johnston, have arranged for a benefit picture show next Wednesday night. It is a splendid film, "Baree, Son of Kazan," by James Oliver Curwood, with the popular Anita Stewart starring. There will be two shows, at 7 and 9, and admission is 50c and 25c. There is also a matinee, admission 50c and 15c.

Everybody goes to a movie once in a while. If you only go once a year, make it next Wednesday. Those who attend the movies regularly will enjoy themselves in a good cause. Those who never go or who have engagements next Wednesday can at least buy a ticket. Tickets are being sold by the school children.

This is one of the regular higher-priced shows. There is no advance in price on account of the proceeds going to help the library. Come out on Wednesday and treat yourself and your family. You will pay no more than you always do for the show and you will have the added satisfaction of doing "a good deed in a naughty world."
