Can be consulted at a hours, day and evening, on all Chronic Diseases, Diseases of Women and Children, Midwifery, &c., together with those of a private nature. He has devoted over the treatment of the above named diseases, and the success, so far, has been without a parallel, as may be seen from the numerous testimonials in his possession.

PRIVATE DISEASES.

It is well known that this branch of the Medical profession has been much neglected from the fact that it is mostly represented by quacks, who invariably practice under an assume and perfectly sate ant sure. It does not treat any nausen or sickening sensation when introduced into the stemach. It is so pleasant that any child will eagerly take it, and it has a deadly effect on all Worms that initiability has a deadly effect on all Worms that initiability has a deadly effect on all Worms that initiability as a deadly effect on all Worms that initiability as a deadly effect on all Worms that initiability as a deadly effect on all Worms that initiability as a deadly effect on all Worms that initiability as a deadly effect on all Worms that initiability as a deadly effect on all Worms that initiability as a deadly effect on all Worms that initiability as a deadly effect on all Worms that initiability as a deadly effect on all Worms that initiability as a deadly effect on all Worms that initiability as a deadly effect on all Worms that initiability as a deadly effect on all Worms that initiability as a deadly effect on all Worms that initiability as a deadly effect on all Worms that initiability as a deadly effect on all Worms that initiability as a deadly effect on all Worms that initiability as a deadly effect on all Worms that initiability as a deadly effect on all Worms that initiability as a deadly effect on all Worms and the agent that any child will eagerly take it, and in the in estimal on a suffer to any child will eagerly take it, and in the in estimal on a suffer to any child will eagerly take it, and in the in estimal on a suffer to any child will ea name. Dr. D. has devoted much of his time to the various forms of this disease and by his improved remedies its worst stages are brought under subjection in from four to ten days. The many ills arising from secret habits in both sexes permanently eradicated.

NC MERCURY USED.

Patients at a distance can be treated by corresponding with the Dr., stating the symptoms of the disease, age, length of time afflicted, &c. and receive his celebrated remedies by express, or as otherwise directed, securely packed from observation. A reasonable remittance on all such applications will be required.
