GOVT. PLANNING TO TAX MORE INCOMES

All Who Pay Travelling Expenses To-Be Hit.

Many interesting rumors as to where the income tax regulations will hit next are circulating among travelers as a result of the memorandum recently issued regarding the tax on commer-

cial men.

The opinion is general that the government plans to extend the field it has line may come pastors who go out to fill country calls and collect traveling expenses for their trip. It is not unlikely that all who make occasional trips for which they receive expense oney will be called upon to contribute

share to the government.
This sounds like a far-reaching policy but the opportunity it offers for increasing revenue are obvious, and it is stated by those in close touch with matters that plans are already under consideration at Ottawa for taking advantage of the scheme.

orandum No. 87, which has been ssued, is regarded as merely the thin edge of the wedge. It applies so far nly to commercial travelers, and is as

necessary that this proposition be in-cluded in the city of London bill and the approval of the Legislature secured for

In reply to a question from Ald. Wenige it was admitted that no one the first Londoner that builds the first valu- street railway had yet been turned over know if the street railway had signed bond to pay the city \$500 monthly. The mayor said a bond was not necessary. They had merely halted the operations of the sheriff. If the payments stopped

further seizures would be made. Lieutenant-Governor Coming. Lieutenant-Governor Cockshutt will be in the city on Nov. 4 to lay the corner-The Chamber of Commerce expressed a willingness to help entertain him.

The Woman's Christian Association will be unable to get a remission of taxes for the Minhinnick property which it purchased. The court of re-vision refused a remission and the com-mittee decided it had no power. The amount involved is \$800.,

URGES MANY CHANGES IN SUBJECTS TAUGHT

(Continued From Page One.)

The home of Mr. and Mrs. Albert this from the teacher's standpoint at Moore was the scene of a happy gath- a general discussion followed. Inspethis from the teacher's standpoint and actual experience that children of Eng-lish birth whom he encountered in the schools had a much broader grasp of literature, and were more intelligent readers than Canadian children of the same age Must Teach Accuracy

He urged teachers to exercise much care in training their pupils to be neat and accurate in their work. One of the common complaints from men in business, he said, is that the schools turn out children who are care-less about their writing and spelling. During the discussion Miss Ingamell

a teacher, claimed that during the past three years this carelessness had increased rapidly,
Principal Wallis of Simcoe street do a great deal in this way by being neat about their work, especially o the blackboard.

Inspector Greer urged the teachers to carefully supervise play in the
