The Rheims Cathedral, made the direct point of attack during the war, withstood fire to a remarkable degree. Buildings around it were todestroyed and hundreds CLANDEBOYE shells fell within its walls, but with comparatively little effect. The secret lies in the way it was built. The building of a cathedral was the chief event in the history of the town. The very busy time on the farms, a large crowd gathered at the old-fashioned monks, who preserved the arts even through the middle ages, outlined the plans for the building, and every barn-raising on the farm of Walter Lewis, first concession, Biddulph, on Tuesday. The weather was fine, and the person in the community shared in the actual work. The work was never hurried: it sometimes required two centuries to complete a

BAG.
The English postoffice department maintains an official of the nature of a historian whose duty is, among The difference in properties affects the suitability of various soapstones for different uses. In the construction of other things, to collect and recor-various data about the service. On of the most curious exhibits of the lepartment is a time-worn oil-canwarmers, griddles and heating stoves fireless cookers resistance to heat and retention of heat are more im-portant. Thus soapstone from certain localities in Virginia is more valuable taken by an armed footpad one even-ing in February, 1798, from the post-boy who was carrying the mails befor fabricating than for heat retention, and certain Vermont soapstones are tween York and Selby. A reward was offered for the apprehension of the robber, but no trace of him or and certain vermont scapstones are tween lork and Selly. A reward to superior for heating purposes. An investigation of the properties of various scapstones and classification by such properties would be most valuable.

It is P. S. R. requests all who consumption of the properties of the properties of the mail bag was found until nearly from any L. & P. S. ticket office before the discovery then some should be most valuable. The market for soapstone in fabricated form, that is, in sinks, laundry ner. In 1876 an old wayside inn was tubs, trays, table tops, etc., is dependent largely upon new building construction. During the war and the attendant depression in the Marketter. being demolished at Churchill, near Selby, and in the rafters the work-men found, among other things, the long-lost mail bag, it having evidently tendant depression in the effection of buildings for dwellings or commercial been hidden there by the highway-use, the normal market for soapstone man of 1798, after being despoiled of its contents.

Splendid Program of Sports and Music Arranged For Monday.

GREAT BABY SHOW

Sunday afternoon and night next the famous Shadukiam Band of the Detroit Grotto will render choice programs of music on invererie Heights, Port Stanley. The Detroit ondon Old Boys' Association is bringing this splendid musical organ-ization to London, and it is declared be a credit to the Masons of Detoit and to the Old Boys. The band is under the leadership of Alfred Dunn, who lived in this city until fifteep years ago, when he moved to Detroit. It numbers 40 pieces and the leader, and has a continental renutation with the head is coming. reputation. With the band is coming a noted soprano, Miss Jean Camp-bell, and she will sing at the afternoon and night concerts at Por Stanley. Cameron Geddes, the splendid

baritone, will also render numbers at each concert. Monday's Program.

Monday will be London's civic holiday, and an exceptional program has been prepared by the London & Port Stanley Railway for the enter-tainment of the visitors from the city and other places, and also for the old boys and old girls who are coming back to London for the re-union and will be sure to be deeply interested in the wonderful changes at Port Stanley that followed the electrification of the L. & P. S. R. back in 1915.

All day long there will not be an idle minute, and there will be something that will appeal to everybody. The special features include concerts by brass bands on Invererie Heights and the L. & P. S. beach; a baseball match between the Falcons of St. Thomas, intermedate champions of West Elgin, and the Askin Street Elks of London; a softball game between girls' teams; a mammoth baby show with excellent prizes and a handsome silver trophy for the champion baby of the day; daylight fireworks in the afternoon and a dazzling display of pyrotechnics at night over the water; a rollicking program of land and water sports, with a grand array of prizes for the winners of the different events, and special prizes for the old boy and girl winners, and a hundred and one other chances for amusement.

Free Movies. At night the L. & P. S. free movies on the beach and the community singing will form a wonderful entertainment. The feature picture will be the magnificent super-special, "Colleen of the Pines," and there will also be two first-class comedy pic tures. Cameron Geddes will rende several numbers in the L. & P. S cafeteria, and will then sing a couple of songs at the movies, later taking charge of and leading the community singing. The latest popular hits will be mingled with the songs of yestervas mail bag—a reminiscence of a year, and the visitors to the old home daring mail robbery. This bag is town and the old home summer resort over 100 years old, and was forcibly will have a chance to sing to their heart's content the songs they love

Register Babies. General Manager Richards of the L. & P. S. R. requests all who con-timplate entering children in the baby show to get their certificates can be eligible for the grand L. & P. S. sweepstakes prize of \$500 of-fered by the Northern Life Insurance Company of London unless it has been properly registered. Get the certificate and fill in the name of the babe with its age and the names of parents or guardians. The \$500 prize

will be awarded by popular applause on Labor Day, and the winning child will after twenty years receive \$500 in cash. From the day the prize is won, the child will be covered by insurance in the Northern Life, and the

Suds all through

Cleansing soap in every drop of water

Put your hand in a tub of Rinso suds. You can feel that the water is actually soapy all through.

This is one reason why Rinso soaks clothes clean without hard rubbing.

A few minutes at night—just the little time you need to put the clothes to soak in these rich suds, and Rinso suds work down into every fold and fibre. loosening the dirt without weakening a single thread.

Just a light rubbing with Rinso on cuff edges, neck bands and the like, gets them clean—the dirt is loosened.

Be sure to use enough Rinso to get the big lasting suds, that give the water a soapy feel all through.

Rinso is made by the largest soap
