From the Rockester Democrat and Chronicle. The picturesque and cosmopolitan appear-ance of the causi mule driver always makes him an object of interest as he journeys through the country, and, with the hope of learning something of the inner life and higher aspirations of the nomad, a reporter of this paper yesterday applied to one of them the harmless pumping process. There certainly was nothing very promising in the interesting specimen which the reporter fonversed with, but a brisk application of ecop and water would have wrought wond ders in his appearance.
