A GRAND MEDICINE

FOR LITTLE ONES terbuck. Ford Motor Company Breaks Record.

Mrs. D. L. McIntyre, McIntyre's Mountain, N. S., says: "Baby's Own Tablets are a grand medicine for little ones and I am well satisfied with the results obtained from them." Mrs. Mc-Intyre's testimony is the same as that of thousands of other mothers. Once a mother has used the Tablets she will use nothing else for the results are sure and the Tablets are guaranteed by a govern-ment analyst to be perfectly safe. They are sold by medicine dealers or by mail Ford, Ont., Feb., 1914.—A. N. Lawr-ence, sales manager of the Ford Motor Company of Canada, Limited, reports that Tuesday, February 17, was a record are sold by medicine dealers or by mail that Iuesday, February 17, was a record day for the great automobile factory at Ford, Ontario. On that day the Ford plant built 105 "cars and shipped 129. This is the largest production and the greatest activity for any one day in the history of the Canadian plant. "This is naturally a great of satisfac-tion in this achievement." says Mr. Lawrat 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

The Late Mrs. James Harrower

(Winnipeg Free Press) The death of Mrs. James Harrower, aged 79 years, occurred at 10 o'clock Sunday morning, after an illness of two weeks, from bronchitis. Mrs. Harrower was one of the early settlers on the west side of the Red river, in Kildonan. She was born in 1834 in the state of `New Jersey, and moved with her parents and family to the then unsettled wilderness of Ontario, known as the County of Lamb-ton, near the town of Walford. She was married there in 1854 to Mr. Harrower, tion in this achievement, "says Mr. Lawr-ence, "for it shows the healthy state of our business and it illustrates our steady but rapid growth. However, I think it is of much greater significance, because it reflects something of the sound busi-ness conditions of the Dominion. It is enough to make any one feel optimistic obout the future " about the future.' recently to the large number of unem-ployed men in the industrial centers.
