ALMS HOUSE AND WORK HOUSE.
Commissioner next week—W. Babcock.

The Imperial parliament has opened with an air of proceeding as usual in business, as indicated by the number of notices already given of motions on many highly important subjects. In our preceding columns will be found the views of different journalists on the probable stability of the present ministry.

As an evidence that our columns are open to the discussion of any subject that is not personal, immoral, or objectionable by reason of impiety, we have not hesitated to publish the letter of Mr. Fletcher, although it is almost too bad to be censured, and then requested to publish it from the house tops. We can confidently refer to our past labours and ask if the line we have pursued has not been consistent. We think Mr. Fletcher might have been a little more courteous, but as he professes friendly intentions and desires to enter the lists himself, we take it all in good part, and will pay him (as those who may oppose him) the attention he desires.

FOOTING.—Gen. Clinch has offered a junction with Gen. Gaines, who was nearly surrounded by the Seminoles, and the U. S. troops are to cross the Withlacoochee and enclose the Indians.

A notice has been given by Mr. Hardy of his intention to bring the affair of Mr. O'Connell & Russell before Parliament.

We are happy to learn of the safe arrival of the ship Robert Wall, and of the safe return of the Hon. John A. Macdonald, who returned from his tour in the West Indies on the 28th inst. The Hon. John A. Macdonald, who returned from his tour in the West Indies on the 28th inst. The Hon. John A. Macdonald, who returned from his tour in the West Indies on the 28th inst.

At St. John, on Monday the 21st inst. by the Rev. Mr. Wilson, Mr. Alex. Stewart, to Miss Elizabeth M. Pearson, both of that City.
On Thursday, by the Rev. Mr. Wilson, Mr. Hugh M. Laidlaw, to Miss Isabella Blair, both of the Parish of Portland.
At Long Beach, (K. C.) on the 20th January, by the Rev. W. L. Scott, Mr. Oswald Reilly, to Miss Eleanor Ann, eldest daughter of Mr. James Reilly, all of that place.

At St. John, on the 13th inst. Mr. Philip West, aged 84 years. Mr. West was one of the oldest settlers of the Province, having come to this country on or about the year 1760. He commenced his improvements in Fredericton, near where Christ Church now stands; and has been an inhabitant of the present County of York for the last twenty years. He has left behind him a numerous offspring.

At Miramichi, on the 21st inst. Margaret, wife of Mr. William Taylor, in the 71st year of her age—On the 21st inst. Mr. Peter Gray, aged 70.
At Halifax, on the 24th inst. in the 61st year of his age, John Homer, Esquire, of P. P. Barrington.

In New York, on the 17th inst. John Lange, Esq. Editor of the New York Gazette, aged 67. He was connected with that establishment since 1797. He was the father of the profession in that city and state.

At Boston, on the morning of the 21st inst. Geo. C. Bannister, Esq. of the New England Farmer, of the Free Stone connected with the New England Farmer Office, &c.
Having been for several years intimately acquainted, as well as connected in business with the deceased, we refrain from any eulogium of feeling, which we have no power to express. Cut off in the morning of his days, at the commencement of a career of enterprise and usefulness which promised not only honorable emolument to himself, but very great benefit to the community, GEORGE C. BANNISTER has left a blank in society which is the more to be deplored as we can scarcely hope ever to see it adequately supplied. His industry, activity, and judicious enterprise were the prominent traits in his character, and caused success to attend whatever he attempted.

The deceased had been married the 2nd of May next, would have been 27 years of age. He has left a disconsolate widow and a child; and of him it may truly be said that he lived usefully and respectably, and died prematurely, and universally lamented.

CAPITALISTS AND SPECULATORS.

THE rapid strides making by the British Colonies, and the West India Islands, for the construction of a Rail Road, from St. Andrews in New Brunswick, to Quebec in Lower Canada, and the success that has hitherto attended the progress of this magnificent undertaking, has already exceeded their most sanguine expectations; there remains not a doubt but that during the operations will be commenced in the following spring, consequently property of every description will rise in value as the work progresses, and yield immense profits to persons disposed to purchase at the present reduced value of property in this town.

PROSPECTUS OF THE NEW-ENGLAND GALAXY.

THE GALAXY has been published eighteen years—The nineteenth Volume will commence with the coming year and be conducted by HENRY F. HARRINGTON, Assisted by several popular and well known authors.

The columns of the paper will be mostly filled with STERLING ORIGINAL ARTICLES; of which Tales, Poetry and essays—Notices of New Publications, and of the Times—Sketches of Foreign and Domestic Character and Scenery—Biographical Notices of eminent Individuals, and Letters from Correspondents, etc. will form prominent features. The publishers will endeavor as far as practicable to support American Literature and Character—to sustain a manly and unyielding criticism on Literature, Men and Manners and the drama, without regard to friends or foes—in exercise a surveillance over all matters of local interest by exposing all nuisances and abuse to the public weal, and to handle Quackery under its various guises, without gloves. This course, a rapid and continued accession of subscribers has already proved eminently popular and successful, the Galaxy promising soon to possess a larger list, than any weekly paper in this state. Determined therefore, still more to merit support, and in confidence, of a promise that the paper should increase in literary merit as it gained in public favor the Publishers have engaged correspondents in several parts of our own country and in Europe.
