Canadian Hay Shippers.

Claims to BE PRESENTED to THE UNITED STATES FOR OVERGHARGES.

OTTAWA, Nov. 1.—For a number of years a large and profitable export trade has been done in the shipment of hay from Canada to the United States, the average yearly shipment reaching.

year. They hereby authorize us to say that they will pay one hundred dollars in gold coin in four separate premiums, for the they will pay one hundred dollars in gold coin in four separate premium.

PRESH & SALTED MEATS, PRESH & SALTED M trade has been done in the shipment of hay from Canada to the United States, the average yearly shipment reaching in the neighborhood of \$1,000,000.

Owing to some misinterpretation of the customs laws, the customs officials of the United State imposed a duty of 20 per cent. ad valorem, while the Canadian shipper contends that the duty should not be over 10 per cent. according to the United States customs laws, which provide that on any unmanufactured and unenumerated article aduty of 10 per cent ad valorem shall be levied.

Despite this fact Canadian shippers were forced to pay a duty of 20 per cent. at the different ports of entry for a long series of years. In 1880, however, Charles Arpin, an extensive exporter of St. John's, Que., sued the United States government, and, with others, obtained judgment for £26,000, others, obtained judgment for £26,000, A HEALING SUBSTANCE. - A drop of and it is asserted that during the period warm mutton suet applied to old sores in which the illegal exaction was made at night upon retiring, soon causes \$600,000 was in this way taken out of them to disappear. Mutton suet is have claims of this sort against the lips and chapped hands. For cuts and United States government for over- bruises it is equally good. Its healing charged duties have represented their properties make it useful in those little case to the Dominion government with accidents and ailments so common to the request that the matter may be children. brought before the commission shortly to meet at Washington, hoping that -Last year about 700 buildings were the hands of Sir Charles Tupper as the equal to a good sized town, and, if ten Canadian commissioner.

Chicken Soup for Invalids.—Take all the bones of a chicken, crack them and add the dark meat; cover well with water and stew for three or four hours. Flavor the broth with some thinly cut lemon peel; sait to taste and add a little sage tied in a piece of muslin. All fat must be removed. This soup when cold, will be a delicate jelly, and can be melted down as required. The breast of the chicken may be used for broiling if the invalid relishes it.

Ham Sakad.—One pound of boiled ham, chopped fine; one-half dozen small pickles, chopped fine also; add a little celery, and serve with a dressing.

Beef Tripe.—Wash the tripe carefully and soak in sait and water, changing force or twice; than boil until wall
